Water conservation request issued for Wainiha customers

9 A.M. WAINIHA – The Department of Water (DOW) has issued a water conservation request for customers located in Wainiha, until further notice due to reports of a possible main line break on Powerhouse Road in Wainiha. Some customers have reported no water service or low water pressure. DOW crews have been dispatched to conduct a further investigation and repairs as soon as possible. Customers are asked to limit water use to essential uses only; such as drinking, cooking and sanitation purposes until investigations have been completed. An update will be provided when new information becomes available.
