REQUEST FOR SOLE SOURCE
County of Kaua'i

TO: DIRECTOR OF FINANCE

FROM: Public Works /Wastewater 11/13/2026
(Dept or Agency) (Div) Date

RE: REQUEST FOR SOLE SOURCE APPROVAL
****

***Instructions**: Cost and/or pricing data requirements for contracts expected to exceed $100,000 are applicable pursuant to HAR 3-122-123 & 124.*

I. Pursuant to 103D-306, HRS, and Subchapter 9, Chapter 3-122, HAR, the Department requests sole source approval to purchase the following: (**Description of goods, services, or construction**)

Replace two (2) Sulzer ABS Submersible Pumps for Waimea WWTP Drain Pumps.

II. Name and Address of Vendor:

Engineered Systems, Inc.
PO Box 865
Kailua, HI 96734

III. Estimated Cost: $18,645.02

IV. Term of Contract or delivery time:

6 to 8 weeks

V. The goods, services, or construction has the following unique features, characteristics, or capabilities:

Engineered Systems, Inc is the contracted Sulzer sole distributor for Sulzer wastewater (formerly ABS) products for the municipal market. Engineered Systems Inc's territory includes all Hawaiian islands.

VI. Describe how the unique features, characteristics, or capabilities are essential for the agency to accomplish its work:

The pump is designed to handle wastewater, sewage, and other challenging pumping applications. Its submersible design allows it to operate while fully submerged, saving space and eliminating the need for a separate pump room. Its powerful motor, durable construction,

and ability to handle solids and debris help prevent clogging and maintain consistent wastewater flow. These capabilities are critical in supporting wastewater collection and management operations, preventing sewage backups and overflows, protecting public health, and reducing environmental risks. Its reliability and efficient performance also help minimize downtime, maintenance costs, and service disruptions, ensuring the agency can continue providing essential services to the community. The replacement pumps are selected because it is compatible with the existing system and requires no further modification.

VII. The following other possible sources for the goods, services, or construction were investigated but do not meet our needs because:

There are no other vendors that sell Sulzar (ABS) products in the State of Hawaii.

VIII. Person(s) recommended to negotiate the sole source contract:

A. Name, Title, and relevant experience or qualifications:

Troy Shigematsu
10 plus years experience with WWTP operation

B. Name, Title, and relevant experience or qualifications:

IX. Special Provisions:
