The Director of Finance shall use Generally Accepted Accounting Principles and procedures in making such determination.

SECTION 19. Pursuant to Section 19.08(A) of the Charter of the County of Kaua‘i, agencies authorized to make expenditures pursuant to the annual budget ordinance may proceed without other authority from the County Council to incur obligations or make expenditures for proper purposes as shown in SECTION 2, to the extent that the moneys are available and as allotted.

Pursuant to Section 19.08(F) of the Charter of the County of Kaua‘i, the Mayor may at any time transfer an unencumbered appropriation balance or portion thereof between existing accounts within a Division or between Divisions in the same Department. Establishment of new items, new programs, and/or new accounts shall be by amendment to the annual budget ordinance pursuant to Section 19.07(B) of the Charter of the County of Kaua‘i. Pursuant to Section 7.08(A)(4) of the Charter of the County of Kaua‘i, the Managing Director shall provide to the County Council electronic copies of all budget appropriation transfers, to be transmitted as processed.

Pursuant to Section 19.08(F) of the Charter of the County of Kaua‘i, transfers of unencumbered appropriation balances between Departments, Boards, or Commissions shall be made only by the County Council by ordinance upon the recommendations of the Mayor.

SECTION 20. Whenever the County of Kaua‘i shall receive from the United States of America, the State of Hawai‘i, or from any public or semi-public agency or from any private person, firm, or corporation, any moneys, other than the normal revenues and realizations provided by law or ordinances, the Director of Finance shall maintain special funds or accounts showing the moneys and specifying the purpose for which they have been received. Any expenditure shall be in accordance with this Ordinance and the terms and conditions for receipt of said moneys.

SECTION 21. Pursuant to the Kaua‘i County Code 1987, as amended, Section 6-12.2(b) and (c), and Ordinance No. 641, all grant applications shall be submitted to the County Council for consideration of a grant award. This Section will apply to all Departments or Agencies of the County of Kaua‘i that are requesting grant funds from the Federal or State government, or any outside source. No payment shall be authorized or made, and no obligation incurred against the County, utilizing moneys from the Federal or State government, or any outside source, or in anticipation or receipt of such moneys, unless written approval is obtained from the County Council and an account is first established. This provision applies to all grants and Federal, State, or private financial assistance for emergency disaster relief.

If any provision of this Section jeopardizes the receipt by the County of Kaua‘i of any Federal grant-in-aid or other Federal allotment of moneys, such provision may, insofar as such receipt is jeopardized, be waived by the County Council upon the recommendation of the Mayor pursuant to Ordinance No. 641.

SECTION 22. Expenditures for equipment, furniture, and vehicles shall only be for those items listed and described in SECTION 2. Except for emergency purchases as authorized herein, written approval by the County Council shall be required prior to the purchase of any equipment, furniture, and vehicles, in excess of $25,000, that is not contained and described in SECTION 2 for which unencumbered appropriation balances are available.

The Director of Finance shall provide written quarterly updated reports (September 30, 2020, December 31, 2020, March 31, 2021, and June 30, 2021) to the Mayor of all County equipment and furniture purchases, which indicate:

a. A description and quantity of all equipment funded in SECTION 2;
b. The estimated budgetary appropriation;
c. The actual purchase price; and
d. A description and quantity of the comparable equipment to be replaced and its disposition.

The Mayor shall submit the quarterly reports to the County Council no later than twenty (20) days after the close of each quarter.

SECTION 23. Pursuant to Section 19.19(F) of the Charter of the County of Kaua‘i, the Director of Finance may, by rules adopted pursuant to Chapter 91, Hawai‘i Revised Statutes, provide for emergency purchases. Such emergency purchases shall be made only in accordance with the rules. The Director of Finance shall inform the County Council, in writing, of any emergency equipment purchases and justification within ten (10) days from the date of procurement.

SECTION 24. Pursuant to Section 7.08(A)(4) of the Charter of the County of Kaua‘i, the Managing Director shall provide written reports to the County Council on or about March 15, 2021 and May 1, 2021 of any vacancies within the County during the Fiscal Year indicating the following:

h. Estimated salary savings for the current Fiscal Year.

The Managing Director shall submit the reports to the County Council no later than ten (10) days after the dates indicated above.

SECTION 25. The Director of Finance shall post quarterly updated reports (September 30, 2020, December 31, 2020, March 31, 2021, and June 30, 2021) to the Mayor of the current balances in all accounts in SECTION 2 of this Ordinance.

SECTION 26. No later than thirty (30) calendar days after the close of each quarter, the Director of Finance shall submit to the County Council a Combined Statement of Cash Receipts and Disbursements (Combined Statement) showing for each month for each individual account and fund the cash balance at the start of the accounting period. Upon receipt of each quarterly Combined Statement, the County Council may hold hearings for purposes of reviewing each Combined Statement. All information submitted pursuant to this Section shall be provided in an electronic soft copy format.

SECTION 27. All accounts in SECTION 2 for which no appropriations have been made ($0) are listed solely for accounting purposes for the prior Fiscal Year's audit trail, and shall not be deemed accounts for this Fiscal Year's budget to which moneys can be transferred or expended.

SECTION 28. Where a vacancy in an authorized position creates unexpended moneys in the salary account of the Kaua'i Police Department, the Chief of Police, with the approval of the Mayor and the County Council, may hire a maximum of eight (8) additional Police Service Officers over the number of Police Service Officer positions authorized herein; provided that unexpended moneys or Criminal Assets Forfeiture Account moneys are available in the Kaua'i Police Department's salary account or Criminal Assets Forfeiture Account. If any person is hired under this Section, the Mayor shall immediately report the same to the County Council at its next regular meeting. If additional Police Service Officers are hired under this Section and funds are depleted, those Police Service Officers shall be placed on leave of absence without pay, after following proper personnel procedures.

SECTION 29. Pursuant to Section 2-1.16(j) of the Kaua'i County Code 1987, as amended, the County Council and the Kaua'i County Housing Agency (KCHA) hereby approve for application, acceptance, appropriation, expenditure, and indemnification the various Kaua'i County Housing Agency program grants for the purposes and in the amounts specified in the applicable Kaua'i County Housing Agency submittal. No expenditure of moneys shall be permitted from the Housing and Urban Development (HUD) Section 8 program contingency and HOME Investment Partnerships Program (HOME) and Community Development Block Grant (CDBG) Programs without amendment to this Ordinance. All applicable budget provisos contained in this Ordinance shall apply to the Kaua'i County Housing Agency.

SECTION 30. All contracts shall be in compliance with Act 90 (Session Laws of Hawai'i 2001), relating to privatization of government services.

SECTION 31. The Director of Finance shall be authorized to enter into contracts to design and install renewable energy equipment and fund said contracts from "Electricity" budget line items not to exceed the annual budget allotment for said Electricity accounts.

SECTION 32. The Director of Finance shall be authorized to enter into lease financing agreements with financial institutions for equipment, furniture, and vehicle expenditures that require the County to indemnify, defend, and hold harmless the financial institutions for claims, losses, liability, actions, suits, and expenses (including attorneys' fees) arising out of the following:

a. Possession, use, operation, maintenance, condition of, or rejection of the equipment;
b. Any trademark, patent, or copyright infringement related to the equipment;
c. Failure to obtain and maintain licensing and registration of any equipment that is required by law; and
d. Failure to pay all required taxes or fees related to the purchase, sale, delivery, ownership, possession, use, operation, maintenance, return of the equipment, or equipment rental.

SECTION 33. If any provision of this Ordinance, or the application thereof to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of the Ordinance which can be given effect without the invalid provision or application, and to this end, the provisions of this Ordinance are severable.

SECTION 34. This Ordinance shall take effect on July 1, 2020.

SECTION 3. The Director of Finance shall be authorized to create accounts and project codes to define and detail project expenditures under the respective projects listed under SECTION 2. These expense accounts shall include salaries, fringe benefits, and other project-related costs.

The establishment of new projects, items, and/or accounts, or the transfer of moneys from one project to another project shall be by amendment to the Capital Budget Ordinance. The Director of Finance shall be authorized to transfer moneys between accounts within a project.

SECTION 4. The appropriation and authorization in SECTION 2 only includes design, plans, land purchases, site preparation, improvements to land, and construction. Planning funds and equipment appropriations may only be utilized for projects in SECTION 2 that specifically specify planning and equipment moneys being appropriated. Any change in the equipment appropriation in this Ordinance shall require County Council approval.

SECTION 5. No funds shall be expended for any Capital Improvement Projects other than those listed in SECTION 2, except funds that are encumbered in prior fiscal years for other projects. No funds shall be transferred or expended from any unappropriated surplus project contingency accounts without amendment to the Capital Budget Ordinance.

SECTION 6. Pursuant to the Kaua‘i County Code 1987, as amended, Section 6-12.2(b) and (c), and Ordinance No. 641, all grant applications shall be submitted to the County Council for consideration of a grant award. This provision shall apply to all Departments or Agencies of the County of Kaua‘i that are requesting grant funds from the Federal or State government, or any outside source. No payment shall be authorized or made, and no obligation incurred against the County, utilizing moneys from the Federal or State government, or any outside source, or in anticipation or receipt of such moneys, unless written approval is obtained from the County Council and an account is first established. This provision applies to all grants and Federal, State, or private financial assistance for emergency disaster relief.

If any provision of this proviso jeopardizes the receipt by the County of Kaua‘i of any Federal grant-in-aid or other Federal allotment of moneys, such provision may, insofar as such receipt is jeopardized, be waived by the County Council upon the recommendation of the Mayor, pursuant to Ordinance No. 641.

SECTION 7. The County Engineer shall provide written quarterly status reports (September 30, 2020, December 31, 2020, March 31, 2021, and June 30, 2021) to the Mayor of each project contained in SECTION 2, which shall include:

a. Construction schedules with milestone performance dates; and

b. Budget appropriation including State and Federal matching funds versus actual cost, including the percentage difference, if any; and

c. Any expenditures or encumbrances to date.

The Mayor shall submit the quarterly reports to the County Council no later than thirty (30) days after the close of the quarter.

SECTION 8. All contracts shall be in compliance with Act 90 (Session Laws of Hawai'i 2001) relating to privatization of government services.

SECTION 9. For all Capital Improvement Projects that utilize $250,000 or more of County funds, construction signage indicating the name of the project, estimated cost of the project, project description, estimated start and completion dates, name of contractor, and contractor contact information shall be posted for public information purposes.

SECTION 10. Pursuant to Section 19.15(B) of the Charter of the County of Kaua'i and Ordinance No. 1021, there is hereby created a "G.E. Tax Fund CIP," for expenditures related to capital costs of public transportation systems and expenses in complying with the Americans with Disabilities Act of 1990 as allowed by law. The Director of Finance shall use Generally Accepted Accounting Principles and procedures in making such determination.

SECTION 11. The "Contingency Fund" may be used to fund project change orders and unanticipated costs, provided that there is no material change in the scope of the project and the amount utilized from the Contingency Fund does not exceed $100,000 and 10% of the project's approved appropriation balance.

SECTION 12. If any provision of this Ordinance, or the application thereof to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of the Ordinance which can be given effect without the invalid provision or application, and to this end the provisions of this Ordinance are severable.

SECTION 13. This Ordinance shall take effect on July 1, 2020.
