

COUNTY COUNCIL WEBSITE PRIVACY STATEMENT

This privacy statement applies to the County Council area of Kauai County Website, <http://www.kauai.gov/council>, operated by the County of Kauai. The Website is designed to promote open access to information and records of the County Council. Personal information, namely a user's name and email address, is required to submit testimony through the County's website to ensure that testimony is being submitted by a real person and not an automatic generator. A person may also elect to provide additional personal information, such as contact information, when submitting testimony. Every effort is made to redact personal information that is separate from testimony and provided for contact purposes, however, persons submitting testimony through the Website should be aware that, in order to preserve the integrity of the testimony, the content of testimony is not altered or changed in any manner before publication. Any personal information that is contained within the testimony will not be redacted or otherwise altered and will be published to the Website. The County does not intend for any personal information gathered through the Website to be disseminated or made available to a third party and the County will not sell or otherwise make any personal information available for commercial purposes. However, the testimony submission process is a public process. Unless an exception applies pursuant to Section 92F-13, Hawai'i Revised Statutes, all County Council meeting transcripts and testimony are public documents. Therefore, any testimony that is submitted verbally or in writing, electronically or in person, for use in the County Council legislative process is public information.
