### **Residents encouraged to use self-service DMV kiosks**

LĪHU'E – County officials are reminding residents to take advantage of the self-service DMV kiosks at Līhu'e, Kap'aa, and Princeville.

DMV kiosks are located at Safeways in Kapa'a and Līhu'e, and Foodland in Princeville.

The county's self-service DMV kiosk allows customers to pay for their motor vehicle registrations via a touchscreen by entering their license plate number or scanning the bar code of their motor vehicle renewal form. Vehicles must have valid safety checks to use the kiosk.

Customers may only use debit or credit cards for transactions and incur a \$4 service fee and a 2.5% debit and credit card fee. Once a transaction is made, the kiosk will print out the vehicle registration and license plate tabs instantly.
