### **Water service shutdown scheduled for Eleele area on March 11**

ELEELE - The Department of Water (DOW) announces a water service shutdown scheduled for approximately 22 customers located along portions of Eleele Road, Poni Road and Uliuli Road on Wednesday, March 11, from 9:00 a.m. to 2:00 p.m., weather permitting.

The water service shutdown is necessary in order to allow DOW crews to install a new fire hydrant.

Affected customers are advised to prepare for the service shutdown by taking the following steps:

- Store enough water to meet your needs during the shutdown.
- Notify family, friends, tenants and neighbors that may be affected by the service shutdown.
- Those with faulty water heaters should ensure that water heaters do not empty during the shutdown.
- Businesses should plan appropriately prior to and during a service shutdown.
