## **News Release**

For Immediate Release: March 18, 2020

### **Water conservation notice lifted for Wainiha and Haena customers**

WAINIHA – The Department of Water (DOW) has lifted the water conservation notice for all Wainiha and Haena customers as of approximately 6 a.m. this morning. Electrical power service has been restored to the well site and storage tank levels have stabilized. Customers may resume normal water use.

DOW thanks customers for their cooperation and conservation efforts during the conservation notice.
