Night Work on portion of Kūhiō Highway in Kapa‘a set for Jan. 10 to 15

KAPA‘A – The public is advised that night construction work will be performed on a portion of Kūhiō Highway in Kapa‘a from Jan. 10 to 15. Traffic will be modified nightly from 9 p.m. to 5 a.m on the following day, weather permitting.

The northbound lane of Kūhiō Highway between Kipuni Place and Ohia Street will be closed. Northbound traffic will be shifted into the two-way left-turn lane in the work area. Left turn movement into driveways within the immediate work zone will be prohibited.

The work is necessary to allow the Wastewater Management Division to perform maintenance work on the sewer system in the area.

Motorists should drive with caution, expect delays, and adjust their travel times as needed.
