High Surf Warning issued for Ni‘ihau and Kaua‘i through 6 a.m. Friday

The National Weather Service has issued a High Surf Warning for all north- and west-facing shores of Kaua‘i and Ni‘ihau through 6 a.m. Friday.

Entering the water in these areas during the High Surf Warning is very hazardous and could cause serious injury or death. Spectators are also advised to use extreme caution, as large breaking waves could make it dangerous for those standing along the shoreline.

The warning may be extended or modified as conditions develop. For updated information on ocean and weather alerts, visit the NWS website, [www.weather.gov/hfo](http://www.weather.gov/hfo).
