Salvation Army ARC islandwide thrift store pick-up scheduled for Feb. 27

The Salvation Army Adult Rehabilitation Center (ARC) will be servicing thrift stores across the island on Feb. 27. David Chung of the ARC will be traveling around the island, gathering thrift store unsaleable items that would otherwise be sent to the landfill.

"I am grateful for all the wonderful work that the Salvation Army ARC is providing to our island," said Acting Solid Waste Program Coordinator Keola Aki. "The Salvation Army ARC is truly providing a vital service by keeping these useful items out of our landfill."

The ARC will also be servicing the public on Friday, Feb. 28, at the Kaua'i Resource Center located at 3460 Ahukini Road from 8 a.m. to 3 p.m. Residents, businesses, and other organizations may bring unwanted or unneeded items including clothing, small furniture, children's toys, books, and shoes. Clothing and textiles do not need to be in good condition. Torn or stained clothing is okay.

Please do not bring eWaste, chemicals, appliances, or broken items. The County Solid Waste Office requests that everyone please check with their local thrift stores before bringing items to the KRC. The program's goal is to support local thrift stores by taking or preventing overloading of these businesses.

Thrift stores can sign-up for the pick-up service by contacting Keola at 808-241-4195 or by email at kaki@kauai.gov.
