Hawai‘i State Department of Health Kaua‘i District Health Office announces one new case of COVID-19 on Feb. 25

LĪHU‘E – The Hawai‘i State Department of Health Kaua‘i District Health Office reported one new case of COVID-19 on Thursday, Feb. 25.

Today’s case is an adult female resident whose source of infection is related to mainland travel.

All four active cases are in isolation, one of which is hospitalized. Close contacts are being identified, directed to quarantine, and offered testing.

Today’s case brings the number of active cases to four, with 214 cumulative cases. Kaua‘i’s cumulative case count includes 183 confirmed locally, one probable, and 30 positive cases diagnosed elsewhere, as they received their pre-travel test results after arriving on island.
