Pu'uopae Bridge to be temporarily closed for construction on March 5 and March 6

The public is advised that Pu'uopae Bridge in Wailua Homesteads will be temporarily closed from March 5 to 6 from 8 a.m. to 3:30 p.m. for construction of the new waterline. The dates may change dependent on the weather.

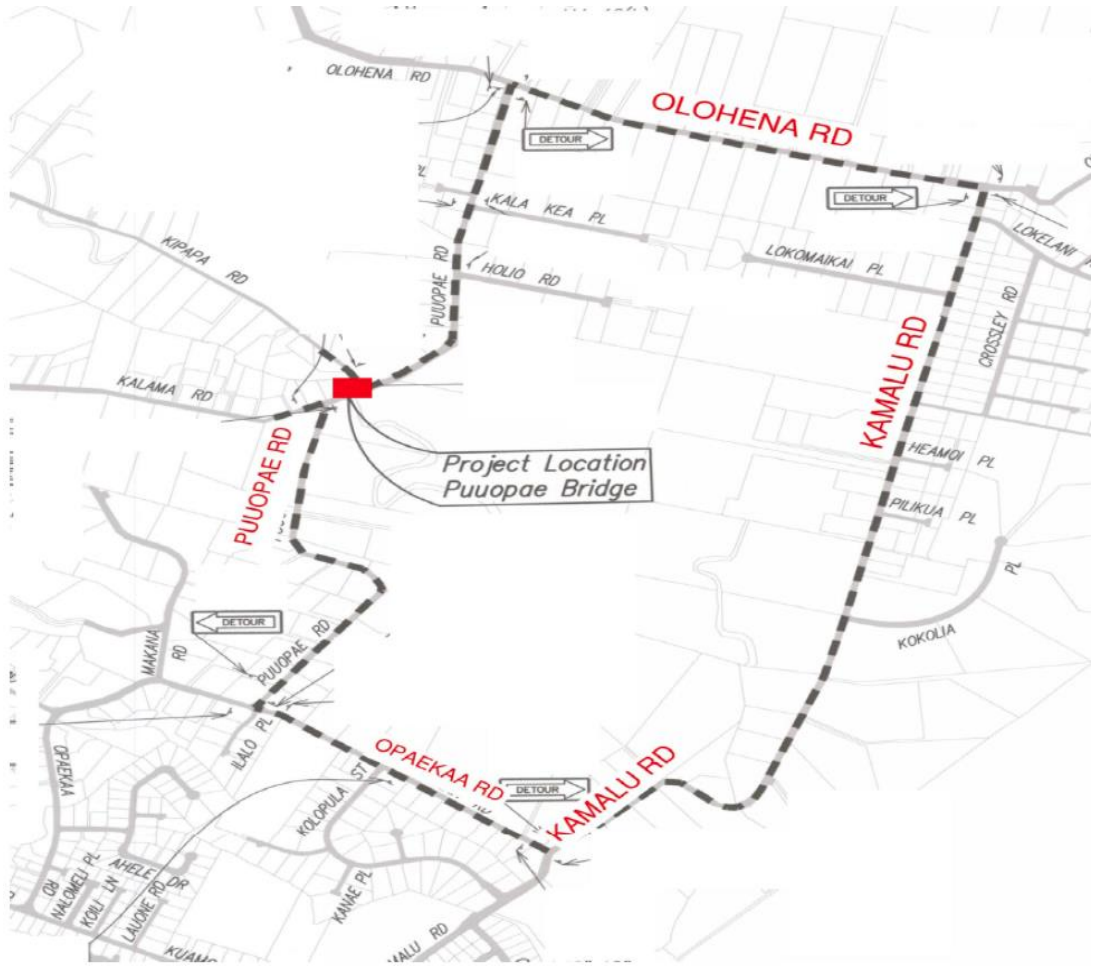

Located by the intersection of Kipapa Road and Pu'uopae Road, the bridge will be temporarily closed to connect the new segment of waterline to the Department of Water's water system, demolish the temporary waterline, and perform related trenching and backfill work.

Thereafter, intermittent temporary closures from 8 a.m. to 3:30 p.m. will be required over a period of up to two weeks as the contractor completes remaining construction work, which includes new pavement installation and striping/painting, and touch-up painting on the bridge guardrail and railing.

An alternative route is shown in a map below. Motorists should drive with caution, expect delays, and adjust their travel times as needed.

For more information, you may call Tyler Sato at Drayko Construction, Inc. at 808-372-1047.
