Pavement work scheduled in Puhi on March 30 & March 31

PUHI – The public is advised that weather permitting, asphalt concrete pavement work is scheduled in Puhi on March 30 and March 31, from 8 a.m. to 1 p.m., that will impact traffic.

On March 30, the work will be done at the Leleiona Street/Puhi Road intersection. While the work is underway, no through traffic will be allowed on Leleiona Street. Motorists travelling on Leleiona Street will need to use Kikowaena Street (Grove Farm access road) to get to Kaumuali'i Highway.

On March 31, the work will be done at the Kaneka Street/Puhi Road intersection. While the work is underway, flagmen will be directing traffic to allow for temporary lane closures.

The project is part of Puhi Road Rehabilitation Project, phase one.

Motorists are advised to drive with caution in the area and to allow for extra travel time.

Anyone with questions can call Drayko Construction at 808-206-0162.
