News Release
For Immediate Release: March 13, 2021

Officials advise public to report damages to private property, County infrastructure

The county is continuing to conduct assessments of storm-affected areas across the island, and officials request the public’s assistance to report any damages to their property and any County public infrastructure.

If your home suffered damages due to the March flooding, please visit www.kauai.gov/kema and click on the green link “March 2021 Rain Damage/Flood Reporting” to complete a form. The information you provide will help to gather necessary data which may be used to determine whether or not certain federal aid is made available to residents of Kaua’i and/or the State of Hawai’i. For assistance on how to fill out the form, you may call KEMA at 241-1800.

To report any damage to County infrastructure – including roads and bridges – call the Department of Public Works Engineering Division at 808-241-4883 or email publicworks@kauai.gov.

A Flash Flood Watch, Flood Advisory, and Wind Advisory remain in effect for Kaua’i. For weather updates, call the National Weather Service automated weather line at 245-6001, or visit the NWS website, www.weather.gov/hfo.

Updates will be posted as information becomes available. Official county press releases are posted at www.kauai.gov or you may follow the County of Kaua’i Facebook page at www.facebook.com/countyofkauai.
