Pop-up vaccination clinic in Anahola this Saturday

ANAHOLA – A pop-up vaccine clinic will be held this Saturday in Anahola.

Ho’ola Lahui Community Clinic, in partnership with Mālama Pono, the Hawai‘i Department of Health, and the County of Kaua‘i, is offering vaccine appointments on **Saturday, May 8, from 1 to 2:30 p.m. at the Anahola Clubhouse.**

Adults aged 18 or older are eligible for this clinic. Participants will be able to choose between the Moderna or Johnson & Johnson vaccines.

If you live in the Anahola area and would like a vaccine this Saturday, please complete this survey: [https://www.surveymonkey.com/r/9N8KVBJ](https://www.surveymonkey.com/r/9N8KVBJ). The survey is also posted at Kauai.gov/vaccine. Once you complete the survey, you are confirmed for Saturday’s clinic.

Kaua‘i health officials urge residents to get vaccinated as soon as possible as Kauai’s daily COVID-19 case count increases with evidence of community spread and new variants.

Weekday, weekend, and evening appointments are available at clinics around the island. Links to make appointments from Waimea to Kapa‘a are posted at [Kauai.gov/vaccine](http://Kauai.gov/vaccine)
