Roadwork scheduled in ‘Ele’ele Nani Subdivision May 12 to 14

‘Ele’ele – The Department of Public Works announces that GP Maintenance Solutions will be conducting roadwork in ‘Ele’ele on weekdays from May 12 to May 14 from 8 a.m. to 5 p.m., weather permitting.

Work is scheduled on Aewa Street. The scope of work includes grass cutting and weed control of the roadway. The road will remain open during the grass cutting and weed control. No parking will be allowed on the road or road shoulders

Please see the maps below for specific locations and dates. Be on the lookout for Road Work signs as this is a good indication that work is in the area and for the safety of the road workers. No parking on the road shoulders or roads within the work zones will be allowed, and any vehicle left in the work zone after 8:00 am will be towed away at the driver’s/owner’s expense — contact the Kaua’i Police Department dispatch line at 808-241-1711 for towed vehicles. For questions regarding this project, please contact John Kerston of GP Maintenance Solutions at 808-864-0323.
