COUNTY OF KAUA’I
DEPARTMENT OF PUBLIC WORKS
TROY TANIGAWA, ACTING COUNTY ENGINEER
(808) 241-4993

Solid Waste Division reminds residents to recycle materials this holiday season properly

The Solid Waste Division is requesting the public’s assistance in ensuring proper recycling this Holiday Season. During the holidays, many residents generate more refuse and recyclables.

“To prepare for additional recycling volume, the County will allocate extra capacity at the eight Kaua’i Recycles drop bins stationed around the island,” said Mayor Derek S. K. Kawakami. “Loads left outside of the recycling bins can quickly be contaminated by water, dirt, and other material, making them unrecyclable.”

The County’s recycling contractor, Garden Isle Disposal, will likely be providing extra hauls to keep up with the volume as well. However, if some residents can delay their recycling activities over the next couple of weeks, it would go a long way to maximize recycling efforts.

Visit www.kauai.gov/kauairecycles for more information or call 241-4841.
