Red Flag Warning issued for Kaua‘i County

The National Weather Service has issued a Red Flag Warning for the leeward areas of Kaua‘i County in effect from 11 a.m., Wednesday, through 6 p.m., Thursday. The warning may be extended, dropped, or modified as conditions develop.

A Red Flag Warning means that critical fire weather conditions are either occurring now or will occur shortly. A combination of strong winds, low relative humidity, and warm temperatures can contribute to extreme fire behavior. A Red Flag Warning does not predict new fire starts.

Any fires that develop will likely spread rapidly in these conditions, according to the National Weather Service. The public should not participate in any outdoor burning.

For weather updates, call the National Weather Service automated weather line at 245-6001, or visit the NWS website, www.weather.gov/hfo.

To sign up for Blackboard Connect, the county’s emergency notification service, please go to the county’s website, www.kauai.gov, or call the Kaua‘i Emergency Management Agency at 241-1800.
