Construction activity on Po‘ipū Road near Kōloa Elementary School scheduled from Dec. 20 to Jan. 3

KŌLOA – The Department of Public Works and Pacific Concrete Cutting and Coring Inc., are announcing that a portion of Po‘ipū Road will be under construction from Dec. 20 through Jan. 3, for the start of the Kōloa Safe Routes to School Project. Partial lane closures are expected from Dec. 22 to 23 and Dec. 29 to 30.

Work is scheduled Monday through Friday, from 8 a.m. to 4:30 p.m. Motorists are advised to expect occasional delays and are reminded that the speed limit is 15 mph near Kōloa Elementary School while school is in session.

There will be no work on Dec. 24 and Dec. 31, in observance of the Christmas and New Year’s Eve holidays.

The Kōloa Safe Routes to School Project involves improvements to pedestrian access to the school, including new sidewalks, crosswalks, and ADA ramps. Safe walking routes for students, parents, and pedestrians will be provided.

This project is scheduled to be complete in June 2022. Dates and times are subject to change depending on weather and other factors. If you have any questions or concerns, please contact Keith Suga at 808-645-0822.
Poipu Road Work Zone

Partial Lane Closure scheduled for December 22-23 & 29-30.

Pedestrian Access along East Side of Poipu Road
