Access gate to Queen's Bath remains closed due to hazardous ocean conditions

PRINCEVILLE – The access gate to Queen's Bath in Princeville remains closed at this time due to continued hazardous ocean conditions.

The access gate to Queen's Bath has been closed for the winter season since October 2022, and will usually reopen during the summer. However, Ocean Safety officials assess ocean conditions daily and will continue to close the access gate as needed throughout the year in the interest of public safety.

For up-to-date information about Kaua'i ocean conditions and ocean safety, please speak to a county lifeguard at any lifeguard station, visit www.hawaiibeachsafety.com, or call the Ocean Safety Bureau at 808-241-4984.
