Kaua‘i Bus to begin service at new bus shelters on Eiwa Street effective March 15

LĪHU‘E – To further improve bus service for the public by providing more spacious, user-friendly accommodations, the Kaua‘i Bus will begin serving its two newest bus shelters on Eiwa Street in Līhu‘e, beginning Monday, March 15.

As a result of the two new shelters, which were included in the recently completed Rice Street Improvement project, there are now a total of four Kaua‘i Bus shelters on Eiwa Street at the Līhu‘e Civic Center. Each shelter will be clearly labeled with its respective bus route numbers. Passengers are advised to ensure they are waiting at the proper shelter prior to bus arrivals.

The following bus shelters and coordinating bus routes are listed below, beginning with the shelter closest to Hardy street, and ending with the shelter closest to Rice Street.

First Bus Shelter (Closest to Hardy Street)

• Route 800 (Wailua to Līhu‘e)
• Route 850 (Līhu‘e to Wailua)
