HANALEI – A 55-year-old Princeville man was traveling southbound up the Hanalei Hill toward Princeville on Kūhiō Highway around 2:45 p.m. Saturday when he lost control of his 2001 Honda motorcycle and crashed.

The highway, near mile marker 1 and the area of the landslide, was closed for approximately three-and-a-half hours while the Kaua‘i Police Department’s Traffic Safety Unit conducted an on-scene investigation.

According to a preliminary report, the motorcycle struck the concrete barrier on the southbound side of the roadway. The motorcyclist sustained multiple serious injuries and was transported to Wilcox Memorial Center where he was admitted in serious condition. As of Sunday morning, the man remains in the hospital and is in stable condition.

The cause of the crash is being investigated by the Traffic Safety Unit. KPD reminds all motorists to exercise extra caution and vigilance when traveling past the landslide area. Please drive slowly and remember to pay attention to the road.
