

KAUA'I KĀKOU

KAUA'I COUNTY GENERAL PLAN

What is the General Plan?

► **The Kaua'i County General Plan** is the top-level policy document that guides how we grow responsibly. A public process will develop a shared vision and goals for the future. The last General Plan Update was completed in 2000, and much has changed! How should we address these changes and move forward? Only together can we chart our course.

Let's Plan Kaua'i Kākou. (Kākou means **all of us together**)

► **The GP Update will be:**

INCLUSIVE • INNOVATIVE • COLLABORATIVE • ACTION-DRIVEN

The GP will cover:

- Growth Management and Land Use
- Housing
- Town Character
- Infrastructure Priorities
- Natural Resource Management and Conservation
- Cultural and Heritage Resources
- Economic Development
- Agricultural Lands

- Sustainability and Renewable Energy
- Climate Change and Hazard Preparedness
- Public Access
- Parks and Open Space
- Public Services
- Pedestrian Networks
- Bicycle Networks
- Transit
- Roads and Traffic
- Harbors and Airports
- Public Health and Community Design

APR-MAY 2015
Public Kickoff & Media Campaign

MAY 2015-JUNE 2016
Vision, Goals, & Policy Development

JAN-FEB 2016
Public Surveys & Online Open House

SUMMER 2016
Public Review of Draft Plan & Open House

LATE 2016
Plan Finalization & Approval

How does this relate to me?

The General Plan impacts where you live, work and play, how you get around, the character of our Island, our land and water resources, our cultural resources and practices and more!

Let your voice be heard!

What matters to you? What impacts your quality of life? What are your concerns for the future? What should change? No idea is too big or too small – we want to hear it all.

It's never been easier to participate.
