• Investigative Services Bureau  
• Patrol Bureau Reports  
• Pertinent announcements/updates  
Chair Morita called on Chief Raybuck to address the Commission on his Monthly Reports. Chief Raybuck asked the Commissioners if they had any questions regarding the data reflected in his Monthly Reports.  
Regarding the A&T Bureau Report particularly the report on bench warrants and legal service received and legal services served (non-warrant), Chair Morita asked of the 193 warrants received 6 (six) were recalled is there a time restriction before a warrant expires. Chief Raybuck called on Captain Mark Ozaki to address the question.  
In response to Chair Morita’s question, Administrative & Technical Bureau Captain Mark Ozaki stated that there was a two (2) year timeline before a warrant expires.  
Chair Morita asked Chief Raybuck if he could provide what the acronyms eBW Traffic and eBW Criminal represent to which Captain Ozaki replied that those acronyms stand for Electronic Bench Warrants.  
In addition to his Monthly Reports, Chief Raybuck highlighted some of the great work ISB (investigative services bureau) did over the past three (3) weeks, one was the incident at PMRF (Pacific Missile Range Facility) that involved a helicopter crash where Assistant Chief Bryson Ponce and his team along with Captain Roderick Green and numerous patrol officers helped to secure the area surrounding the crash site. |        |
Regarding the incident involving two (2) missing persons suspected of drowning, one of which was a visitor and the other a Kilauea resident, Assistant Chief Ponce and his team along with the Department of Land and Natural Resources Enforcement, the Kauai Fire Department, Air 1 helicopter and the United States Coast Guard cutter vessel who conducted a 24-hour, around the clock search operation for three (3) full days worked tirelessly to try to locate the two individuals, unfortunately, the operations were suspended, and the two (2) individuals were not found at the time of this reporting.

Chair Morita asked the Commissioners if they had any questions or comments regarding Chief Raybuck’s report. Ms. Jardin expressed her appreciation for everyone who assisted with those unfortunate incidents.

Additionally, Chief Raybuck stated that as the Chair of the State of Hawai‘i Law Enforcement Standards Board since 2019. The board on multiple occasions sought to obtain funding and the necessary resources from Hawai‘i lawmakers to establish statewide standards for law enforcement. However, their attempts were unsuccessful this year, but that did not deter Board so, he went before the senate and house of representatives (again) to try to obtain financial support and to date those measures are continuing to move forward.

Chief Raybuck stated that he is also the Chair of the Hawai‘i Opioid Initiative (HOI) Working Group 6 on public safety which is a collaboration of public health, public safety, healthcare professionals, and community partners all working together to address the misuse/overdose of opioids and other drugs. Since 2017, the HOI working groups met on a regular basis to work on a strategic plan that would integrate substance use, prevention, and treatment within Hawai‘i’s healthcare system.

| Last month, the HOI held its first meeting since in 2019, which reignited the need to address on-going problems in each community throughout the state. Last week, he (Chief Raybuck) met with the Director of HIDA and representatives from the CDC as well as drug intelligence officers to discuss ways to identify all avenues of resources to assist law enforcement across the state.  
At this point, Chief Raybuck opened the floor for questions,  
Chair Morita asked Chief Raybuck how KPD is handling catalytic converter thefts on Kauai and if the Hawaii lawmakers are going to make it a felony. Chief Raybuck explained that KPD is aware of the problem because not only it’s a statewide and it is also a nationwide problem. As far as the number of thefts that have occurred or is still occurring on island, he doesn’t have the exact numbers. With no further questions, Chair Morita thanked Chief Raybuck for his reports, and then moved on to item KPC 2022-2. | Ms. Hertog moved to defer. Ms. Jardin seconded. Hearing no objections. The motion carried 5:0. |

| Business KPC 2022-2 | Presentation by the permitted interaction group on recommendations regarding the process, procedures, and tools to enhance the chief of police evaluation process resulting in a more cohesive evaluation product. (Deferred on 2/25/2022)  
Chair Morita called for a motion to defer item KPC 2022-2.  
Deputy County Attorney noted that the memorandum dated March 4, 2022, under tasks showed the year as December 17, 2022, but if he is not mistaken the year show reflect 2021. Chair Morita asked staff to make the necessary correction. Ms. Omo acknowledge the Chair’s request and would make the correction. | |

Hertog was involved with the interviewing process and the selection process in the hiring of Police Chief Todd Raybuck. Her expertise and experience helped her the new Administrator to orientate herself with the work of the police commission.

Ms. Jardin thanked Commissioner Hertog for all her contributions and wished her all the best - she truly is one of the most beautiful, compassionate, and genuine persons she's ever met. When having to make those tough decisions Commissioner Hertog always stood-up for what she felt was the right which help to guide the Commission to do things correct and fair. Mr. Bestwick stated that based on all the wonderful accolades he had heard so far, he wished he had the opportunity to work with Commissioner Hertog, but being that today is her last day he wanted to wish her all the best.

Mr. Bahouth stated that as a member of the Police Commissioner for seven or eight years, which he served a partial term looking back at all those years past he's glad to have had the opportunity to work alongside Commissioner Hertog as a chair, and she as a vice-chair and vice-a-versa. Her leadership qualities really resonated during the Darryl Perry days up to the hiring of Chief Raybuck, and her military experience in the arm forces, as a Major General speaks volumes, so he wanted to thank her for all she's done for the police commission and for the community.

Chair Morita shared that he'll never forget the speech Commissioner Hertog gave at the FBI Conference they both attended. Everyone at the conference was so impressed with her speech, but it was her aura of leadership that resonated the most with the people who attended the conference.
Deputy County Attorney Donahoe stated that when he was first assigned to the Police Commission Commissioner Hertog was there to help guide him along the way. When it came to the rule revisions, he may never look at colored font the same way ever again. On a more serious note, he wanted to thank Commissioner Hertog for her patience and for being available whenever he needed clarification on the rule revisions and like everyone who spoke about her leadership qualities are “bar none.”

Commissioner Hertog thanked everyone for their support and kind words. She stated that it has been an honor and a privilege to be able to serve on the Police Commission but mostly for having the opportunity to able to work alongside with her fellow Commissioners, Boards and Commissions staff members and Deputy County Attorney Chris Donahoe. She shared that she had a connection with each one of them and she certainly hope that they will keep in touch and see each other throughout the community. She ended by saying God Bless and thanked everyone for enriching her life in so many ways.
