Re: Treasurer’s Report Fiscal Budget 2021-2022 for the Committee on the Status of Women

Historically the Committee on the Status of Women is allocated $1,000.00 each fiscal year, July 1 to June 30, to use for purposes as outlined in the By-Laws article II, section 1: The purpose of the Committee shall be to develop such information concerning the status of women within the county of Kaua‘i as the State Commission on the Status of Women requires or as the Committee deems advisable. The Committee shall also perform such other appropriate duties and responsibilities as deemed necessary by the Committee.

The fiscal budget funds must be used by June 30, 2022, any remaining balance will be absorbed back into the county budget. Remaining balances in the fiscal budget cannot rollover to the next fiscal year.

Use of Funds:
The Committee approved and expended $20.00 in August 2021 to secure a sign permit for the display of the Breast Cancer banner in front of the historic county building during the month of October 2021.

The Committee allocated $600.00 in August 2021 as prize money for the 2022 Women’s History Month Essay Contest. However, due to a series of unanticipated personal events no one was able to carry out the event, the essay contest did not happen, and the $600 was not used.

Current Situation:
The Committee must decide at the April 20, meeting if they want to use the remaining fiscal balance of $980.00. If a decision is made to use the funds here are the perimeters:

- Must motion what the funds would be used for, the amount of funds to be used and who will lead.
- Payment must be made using the County of Kaua‘i Boards and Commissions PCard.
- The task must be completed by May 30, 2022.

Historic use of remaining funds:

  - $165.44 Domestic Violence Banner

Carrying the Community Through Crisis:
First Annual State of Women in Hawai‘i Conference

This is a statewide gathering for women’s equality convened by the Hawai‘i State Commission on the Status of Women. The conference will be held on Friday, July 22, from 1-4:30 p.m. exclusively on Zoom due to the continued burden of the COVID-19 pandemic on women, caregivers, and children.

The conference seeks to accelerate collaboration and intergovernmental support between counties in Hawai‘i on women’s equality.

We are requesting that each Commission share their knowledge and vision with attendees by preparing a 10 minute presentation we hope can include:

1. An overview of the status of women in your jurisdiction. How are women faring in your county or campuses according to metrics that you use (e.g., is there new data or research you’d like to share about women on Maui)?
2. What are challenges to women and girls that you believe may be unique or uniquely heightened in your jurisdiction?
3. What is working and what isn’t working in fulfilling your mission?
4. What are your upcoming campaigns or plans for the rest of 2022 and looking forward to 2023?
