A. General Conditions

Waiver of Subrogation. Contractor shall agree by entering into a contract with the County to provide a Waiver of Subrogation for the Commercial General Liability, Automobile Liability, and Workers Compensation policies. When required by the insurer, or should a policy condition not permit Contractor to enter into a pre-loss agreement to waive subrogation without an endorsement, the Contractor shall agree to notify the insurer and request the policy be endorsed with a Waiver of Subrogation in favor of the County. This Waiver of Subrogation requirement shall not apply to any policy, which includes a condition specifically prohibiting such an endorsement, or voids coverage should Contractor enter into such an agreement on a pre-loss basis.

Any deductibles or self-insured retentions are the sole responsibility of Contractor and its subcontractor(s) if any. The County reserves the right to deduct from the final payment to Contractor any unsatisfied deductibles or self-insured retentions which would result in a lien against the project.

When any deductibles or self-insured retention exceeds $50,000, the County reserves the
right, but not the obligation, to request and review a copy of Contractor’s most recent annual report or audited financial statement.

Contractor must declare any exception to the requirements of this provision as a question to the solicitation prior to submission of their offer, and must declare their ability to provide a bond or other satisfactory guarantee in lieu of any deductibles or self-insured retention. The County will make a determination as to any exception(s) via an addendum to the solicitation prior to final submission of offers.

**Contractor’s Responsibility.** The Contractor is responsible for paying any portion of any loss not covered because of the operation of any deductible, co-insurance clause or self-insured retention applicable to the insurance required herein. If the County is damaged by the failure of the Contractor to maintain insurance as required in this paragraph, then the Contractor shall bear all reasonable costs properly attributable to that failure.

In the event the County determines, in its sole and absolute discretion, that it is necessary to purchase the coverages herein required of the Contractor, and which the Contractor has failed to secure, the Contractor shall reimburse the County for the expenditure of such funds.

**Right to Revise or Reject.** County reserves the right, but not the obligation, to review and revise any insurance requirement, not limited to limits, coverages and endorsements based
on insurance market conditions affecting the availability or affordability of coverage; or changes in the scope of work or specifications affecting the applicability of coverage.
