Councilmember Kaneshiro:     Committee Chair Kagawa did call me to let me know that he was going to be sick and that I needed to run the meeting. For this item in particular, he said that he is still speaking with organizations and there are still some things that he needs to get clarified on some changes that are happening with this Energy Code update, and he asked that we defer it to October 17<sup>th</sup> when he is back. Then, he can also explain some of the discrepancies that he has been hearing from the public. Do you folks want to talk? If anyone has questions on it now, we can get a motion to approve and then defer it later. If there are no questions, then I would

ask that we defer it to October 17<sup>th</sup>. Is there any public testimony on the Energy Code?

There being on objections, the rules were suspended to take public testimony.

There being no one present to provide testimony, the meeting was called back to order, and proceeded as follows:

Councilmember Kaneshiro: I will take the motion.

Councilmember Brun moved to defer Bill No. 2710, Draft 1 to October 17, 2018, seconded by Councilmember Chock, and carried by a vote of 4:0:1 (*Committee Chair Kagawa was excused*).
