**\*\*\*NOTE\*\*\***

There are major changes that have occurred, including the necessity of having the farm operation be for profit. Under the provision of the ordinance amended in 2001, the County of Kaua`i now requires that property owners located within an agricultural district with an area of less than five (5) in size provide proof that this property was utilized in agricultural use for the five (5) year period immediately preceding the dedication application. This can be achieved by providing a Schedule F of the 1040 form showing profit or loss from farming.

<b>Crops</b>	<b>Spacing</b>	<b>Trees per acre</b>
Annonas (Attemoyas, Soursop & Sweetsop)	25' X 30'	58
Avocado	25' X 30'	58
