1. Work closely with fiscal to develop additional monitoring worksheets to enable the agency to immediately respond to changing participation rates.

   The Housing Choice Voucher Program utilizes the HUD provided 2-year forecasting tool as well as Nan McKay funding worksheets and program worksheets within the agency’s Housing Pro software system to determine levels of funding versus lease-up.

2. Pursue additional opportunities to add to the agency’s supply of Housing Choice Vouchers.

   The Housing Agency continues to pursue the utilization of Project-Based Vouchers (PBV) in conjunction with the Administrative Plan. The Housing Agency anticipates utilizing up to 20% of vouchers for PBV. The Housing Agency currently has 1,160 units under Annual Contributions Contract (232 units maximum for PPV). Units selected for PBV will in accordance with the Administrative Plan, be in areas that provide for deconcentrating poverty and expanding housing and economic opportunity. PBV units will also be located in areas that meet neighborhood standards in accordance with HUD regulations at 24 CFR 983.57.

The Housing Agency in partnership with the Kaua‘i Board of REALTORS and the local Continuum of Care conducted its second annual landlord summit on November 9, 2018. The summit brought approximately 50 interested landlords together with the Housing Choice Voucher Program and other community agencies and service providers to develop strategies for lease-up, occupancy and outreach. The summit also educated current and new landlords with the Housing Choice Voucher Program on the benefits of the program to landlords as well as program rules and procedures.

On February 22, 2019, the Housing Agency presented its first inaugural Kauai Housing Summit, which was hosted by Kauai County Mayor Derek Kawakami. The Housing summit brought together up to 140 community members. The Housing Agency and its non profit partners collaborated with the community on the county’s initiatives and tools used to develop affordable housing. Panel discussions yielded insight on how the County and the Housing agency can make adjustments to its development approach toward creating more units and partnerships to sustain affordable housing.

3. Track use of vouchers across the county and monitor trends and use the information to develop additional strategies.

Due to the volatility of the rental market and short supply of affordable rental units, demand for rental units far exceeds supply. HUD Fair Market Rents have continued to decrease in the Housing Agency’s jurisdiction. The Housing Choice Voucher Program has cautioned program participants on moving to new units due to the Fair Market Rent situation. The program is providing higher payment standards for families that have requested reasonable accommodations. The program also continues to utilize Rent o meter, an online electronic database providing rental information to provide up to date rent comparability figures. The program has been incorporating Rent o meter data for approximately three years.

The Kaua‘i County Housing Agency has procured a rent study will be submitted to HUD.
Objective 3 – Reduce the dependency of low-income families on the Housing Choice Voucher Program.

Ongoing efforts continue.

8. Amend Ordinance 860 to better support and promote affordable housing through developer exactions.

In June of 2019, a Residential Nexus Analysis and Feasibility Study was completed for the County of Kauai to assist the County in making amendments to Ordinance 860.

Increase financial capacity to support the goals and objectives of the Housing Agency

Objective 1 – Increase development funding that will create 250 new affordable housing units.

1. Create a 5-year budget based on the Strategic Plan.
The agency continues to work through its accounting division to create a feasible budget despite limitations in software procurement and reductions in overall funding.

2. Identify and obtain at least two new sources of funding for the Housing Agency.

The agency continuously evaluates the potential for tax revenue generating sources of income. Further, the Housing Agency continuously evaluates non-Federal funding opportunities such as state funding or private third-party funding to support agency programs and operations.

Objective 2 – Maintain administrative and operational budget over the next 5 years.

Provide efficient, consistent and quality delivery of services

Objective 1 – Increase operational efficiency in order to maintain the same operational budget for the next 5 years.

1. Reorganize staff roles and job descriptions so that work loads are more evenly balanced and tasks more effectively completed.

In March of 2016, the agency received new leadership as its former Special Assistant to the Housing Director was promoted to Director and its former Section 8 Program Manager stepped into a different position within the agency. The agency’s Family Self-Sufficiency Coordinator was subsequently promoted to become the new Section 8 Program Manager. Leadership continues to evaluate agency job descriptions and workloads and implement changes as needed.

2. Update and improve operations and services by implementing appropriate electronic support technologies.

The agency upgraded to the newest version of its management information system that is used in all facets of program operations. The system is called Housing Pro 9.1 from HAPPY Software. The new 9.1 version of the system
yields greater efficiency and improved operational streamlining that will create greater efficiency. Additionally, the agency is evaluating add-on components to its Housing Pro software. The software currently has an add-on module that allows for document digitization of tenant and landlord documents thereby reducing paper, file storage space and improving efficiency and customer service. Implementation of these add-on modules would occur sometime in FY2019.

3. Clarify or create procedures that increase efficiency and quality of services.

The agency adopted an operations handbook in January 2017 for the Section 8 Housing Choice Voucher Program. The purpose of the operations handbook is to codify daily procedures and workflow by each function of the program. The operations handbook has been designed to be used in conjunction with the agency’s Administrative Plan and third-party training and reference materials from Nan McKay & Associates. The operations has also been designed as a “living document” that can be revised and evolve as the program evolves.

Promote and sustain community development activities

Objective 1 – Increase funding

1. Identify and obtain other sources of funding that can promote and leverage community development.
The Housing Agency leadership continues to research and develop other sources of funding for the agency in collaboration with the administration. The Housing Agency’s Housing Choice Voucher Program implemented a tenant-based rental assistance program with HOME funding in November 2016. The purpose of this funding will be to provide rental security deposit, rent assistance and utility deposits for families with children. HOME and National Housing Trust Funds (HTF) will be utilized for development of the 134 rental units at the Koa’e Workforce Housing project. HOME funds will be utilized for the development of 34 rental units at the Waimea Huakai Apartments.

2. Utilize Community Development Block Grant to assist private organizations in providing services for substance abuse, mental health, employment training and childcare for the target populations of youth, adults, seniors and people with disabilities.

The Housing Agency utilizes Community Development Block Grant funding annually to assist private organizations in providing services for substance abuse, mental health, employment training and childcare for the target populations of youth, adults, seniors and people with disabilities.     The Housing Choice Voucher Program will work with Mark Development, Inc. on potential for Project-Based Vouchers for the Koa’e development and with the Ahe Group on the Waimea Huakai Apartments.
3-III.G. PROHIBITION AGAINST DENIAL OF ASSISTANCE TO VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, AND STALKING

The Violence against Women Act of 2013 (VAWA) and the HUD regulation at 24 CFR 5.2005(b) prohibit PHAs from denying an applicant admission to the HCV program on the basis or as a direct result of the fact that the applicant is or has been a victim of domestic violence, dating violence, sexual assault or stalking, if the applicant otherwise qualifies for assistance or admission.

Definitions of key terms used in VAWA are provided in section 16-IX of this plan, where general VAWA requirements and policies pertaining to notification, documentation, and confidentiality are also located.

Notification

VAWA 2013 expanded notification requirements to include the obligation for PHAs to provide applicants who are denied assistance with a VAWA Notice of Occupancy Rights (form HUD-5380) and a domestic violence certification form (HUD-5382) at the time the applicant is denied.

PHA Policy

The PHA acknowledges that a victim of domestic violence, dating violence, sexual assault, or stalking may have an unfavorable history (e.g., a poor credit history, poor rental history, a record of previous damage to an apartment, a prior arrest record) due to adverse factors that would warrant denial under the PHA’s policies.

While the PHA is not required to identify whether adverse factors that resulted in the applicant’s denial are a result of domestic violence, dating violence, sexual assault, or stalking, the applicant may inform the PHA that their status as a victim is directly related to the grounds for the denial. The PHA will request that the applicant provide enough information to the PHA to allow the PHA to make an objectively reasonable determination, based on all circumstances, whether the adverse factor is a direct result of their status as a victim.

The PHA will include in its notice of denial the VAWA information described in section 16-IX.C of this plan as well as including a copy of the form HUD-5382. The PHA will request in writing that an applicant wishing to claim protection under VAWA notify the PHA within 14 business days.
Documentation

Victim Documentation [24 CFR 5.2007]

PHA Policy

If an applicant claims the protection against denial of assistance that VAWA provides to victims of domestic violence, dating violence, sexual assault or stalking, the PHA will request in writing that the applicant provide documentation supporting the claim in accordance with section 16-IX.D of this plan.

Perpetrator Documentation

PHA Policy

If the perpetrator of the abuse is a member of the applicant family, the applicant must provide additional documentation consisting of one of the following:

- A signed statement (1) requesting that the perpetrator be removed from the application and (2) certifying that the perpetrator will not be permitted to visit or to stay as a guest in the assisted unit

Documentation that the perpetrator has successfully completed, or is successfully undergoing, rehabilitation or treatment. The documentation must be signed by an employee or agent of a domestic violence service provider or by a medical or other knowledgeable professional from whom the perpetrator has sought or is receiving assistance in addressing the abuse. The signer must attest under penalty of perjury to his or her belief that the rehabilitation was successfully completed or is progressing successfully. The victim and perpetrator must also sign or attest to the documentation.
12-I.E. TERMINATIONS RELATED TO DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT OR STALKING

This section describes the protections against termination of assistance that the Violence against Women Act of 2013 (VAWA) provides for victims of domestic violence, dating violence, sexual assault and stalking. For general VAWA requirements, key VAWA definitions, and PHA policies pertaining to notification, documentation, and confidentiality, see section 16-IX of this plan.

VAWA Protections against Termination

VAWA provides four specific protections against termination of HCV assistance for victims of domestic violence, dating violence, sexual assault or stalking. (Note: The second, third, and fourth protections also apply to terminations of tenancy or occupancy by owners participating in the HCV program, as do the limitations discussed under the next heading.)

First, VAWA provides that a PHA may not terminate assistance to a family that moves out of an assisted unit in violation of the lease, with or without prior notification to the PHA, if the move occurred to protect the health or safety of a family member who is or has been the victim of domestic violence, dating violence, sexual assault or stalking and who reasonably believed he or she was imminently threatened by harm from further violence if he or she remained in the unit [24 CFR 982.354(b)(4)].

Second, it provides that an incident or incidents of actual or threatened domestic violence, dating violence, sexual assault or stalking may not be construed either as a serious or repeated lease violation by the victim or as good cause to terminate the assistance of the victim [24 CFR 5.2005(c)(1)].

Third, it provides that criminal activity directly related to domestic violence, dating violence, sexual assault or stalking may not be construed as cause for terminating the assistance of a tenant if a member of the tenant’s household, a guest, or another person under the tenant’s control is the one engaging in the criminal activity and the tenant or affiliated individual or other individual is the actual or threatened victim of the domestic violence, dating violence, or stalking [24 CFR 5.2005(c)(2)].

Fourth, it gives PHAs the authority to terminate assistance to any tenant or lawful occupant who engages in criminal acts of physical violence against family members or others without terminating assistance to, or otherwise penalizing, the victim of the violence [24 CFR 5.2009(a)].
Limitations on VAWA Protections [24 CFR 5.2005(d) and (e)]

VAWA does not limit the authority of a PHA to terminate the assistance of a victim of abuse for reasons unrelated to domestic violence, dating violence, sexual assault or stalking so long as the PHA does not subject the victim to a more demanding standard than it applies to other program participants [24 CFR 5.2005(d)(1)].

Likewise, VAWA does not limit the authority of a PHA to terminate the assistance of a victim of domestic violence, dating violence, sexual assault or stalking if the PHA can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the assisted property if the victim is not terminated from assistance [24 CFR 5.2005(d)(2)].

HUD regulations define actual and imminent threat to mean words, gestures, actions, or other indicators of a physical threat that (a) is real, (b) would occur within an immediate time frame, and (c) could result in death or serious bodily harm [24 CFR 5.2005(d)(2) and (e)]. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include:

- The duration of the risk
- The nature and severity of the potential harm
- The likelihood that the potential harm will occur
- The length of time before the potential harm would occur [24 CFR 5.2005(e)]

In order to demonstrate an actual and imminent threat, the PHA must have objective evidence of words, gestures, actions, or other indicators. Even when a victim poses an actual and imminent threat, however, HUD regulations authorize a PHA to terminate the victim’s assistance “only when there are no other actions that could be taken to reduce or eliminate the threat” [24 CFR 5.2005(d)(3)].

**PHA Policy**

In determining whether a program participant who is a victim of domestic violence, dating violence, sexual assault or stalking is an actual and imminent threat to other tenants or those employed at or providing service to a property, the PHA will consider the following, and any other relevant, factors:

- Whether the threat is toward an employee or tenant other than the victim of domestic violence, dating violence, sexual assault or stalking
- Whether the threat is a physical danger beyond a speculative threat
- Whether the threat is likely to happen within an immediate time frame
- Whether the threat to other tenants or employees can be eliminated in some other way, such as by helping the victim relocate to a confidential location or seeking a legal remedy to prevent the perpetrator from acting on the threat

If the participant wishes to contest the PHA’s determination that he or she is an actual and imminent threat to other tenants or employees, the participant may do so as part of the informal hearing.
Documentation of Abuse [24 CFR 5.2007]

PHA Policy

When an individual facing termination of assistance for reasons related to domestic violence, dating violence, sexual assault or stalking claims protection under VAWA, the PHA will request that the individual provide documentation supporting the claim in accordance with the policies in section 16-IX.D of this plan.

The PHA reserves the right to waive the documentation requirement if it determines that a statement or other corroborating evidence from the individual will suffice. In such cases the PHA will document the waiver in the individual’s file.

Terminating the Assistance of a Domestic Violence Perpetrator

Although VAWA provides protection against termination of assistance for victims of domestic violence, it does not provide such protection for perpetrators. VAWA gives the PHA the explicit authority to “terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others” without terminating assistance to “or otherwise penalizing the victim of such violence who is also a tenant or lawful occupant” [24 CFR 5.2009(a)]. This authority is not dependent on a bifurcated lease or other eviction action by an owner against an individual family member. Further, this authority supersedes any local, state, or other federal law to the contrary. However, if the PHA chooses to exercise this authority, it must follow any procedures prescribed by HUD or by applicable local, state, or federal law regarding termination of assistance. This means that the PHA must follow the same rules when terminating assistance to an individual as it would when terminating the assistance of an entire family [3/16/07 Federal Register notice on the applicability of VAWA to HUD programs].

If the perpetrator remains in the unit, the PHA continues to pay the owner until the PHA terminates the perpetrator from the program. The PHA must not stop paying HAP until 30 days after the owner bifurcates the lease to evict the perpetrator. The PHA may pay HAP for the full month if the 30-day period will end mid-month [Notice PIH 2017-08].

If the perpetrator is the only participant eligible to receive assistance, the PHA will provide any remaining participant a chance to establish eligibility for the program. If the remaining participant cannot do so, the PHA will provide them with 30 days to establish eligibility for another housing program prior to termination of the HAP contract.
EXHIBIT 16-1: SAMPLE NOTICE OF OCCUPANCY RIGHTS UNDER THE VIOLENCE AGAINST WOMEN ACT, FORM HUD-5380

[Insert Name of Housing Provider]

Notice of Occupancy Rights under the Violence Against Women Act

To all Tenants and Applicants

The Violence Against Women Act (VAWA) provides protections for victims of domestic violence, dating violence, sexual assault, or stalking. VAWA protections are not only available to women, but are available equally to all individuals regardless of sex, gender identity, or sexual orientation. The U.S. Department of Housing and Urban Development (HUD) is the federal agency that oversees that the housing choice voucher program is in compliance with VAWA. This notice explains your rights under VAWA. A HUD-approved certification form is attached to this notice. You can fill out this form to show that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking, and that you wish to use your rights under VAWA.”

Protections for Applicants

If you otherwise qualify for assistance under the housing choice voucher program, you cannot be denied admission or denied assistance because you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

Protections for Tenants

If you are receiving assistance under the housing choice voucher program, you may not be denied assistance, terminated from participation, or be evicted from your rental housing because you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking. Also, if you or an affiliated individual of yours is or has been the victim of domestic violence, dating violence, sexual assault, or stalking by a member of your household or any guest, you may not be denied rental assistance or occupancy rights under the housing choice voucher program solely on the basis of criminal activity directly relating to that domestic violence, dating violence, sexual assault, or stalking.

Affiliated individual means your spouse, parent, brother, sister, or child, or a person to whom you stand in the place of a parent or guardian (for example, the affiliated individual is in your care, custody, or control); or any individual, tenant, or lawful occupant living in your household.

---

1 Despite the name of this law, VAWA protection is available regardless of sex, gender identity, or sexual orientation.

2 Housing providers cannot discriminate on the basis of any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age. HUD-assisted and HUD-insured housing must be made available to all otherwise eligible individuals regardless of actual or perceived sexual orientation, gender identity, or marital status.
Removing the Abuser or Perpetrator from the Household

The PHA may divide (bifurcate) your lease in order to evict the individual or terminate the assistance of the individual who has engaged in criminal activity (the abuser or perpetrator) directly relating to domestic violence, dating violence, sexual assault, or stalking.

If the PHA chooses to remove the abuser or perpetrator, the PHA may not take away the rights of eligible tenants to the unit or otherwise punish the remaining tenants. If the evicted abuser or perpetrator was the sole tenant to have established eligibility for assistance under the program, the PHA must allow the tenant who is or has been a victim and other household members to remain in the unit for a period of time, in order to establish eligibility under the program or under another HUD housing program covered by VAWA, or, find alternative housing.

In removing the abuser or perpetrator from the household, the PHA must follow federal, state, and local eviction procedures. In order to divide a lease, the PHA may, but is not required to, ask you for documentation or certification of the incidences of domestic violence, dating violence, sexual assault, or stalking.

Moving to Another Unit

Upon your request, the PHA may permit you to move to another unit, subject to the availability of other units, and still keep your assistance. In order to approve a request, the PHA may ask you to provide documentation that you are requesting to move because of an incidence of domestic violence, dating violence, sexual assault, or stalking. If the request is a request for emergency transfer, the housing provider may ask you to submit a written request or fill out a form where you certify that you meet the criteria for an emergency transfer under VAWA. The criteria are:

1. **You are a victim of domestic violence, dating violence, sexual assault, or stalking.**
   If your housing provider does not already have documentation that you are a victim of domestic violence, dating violence, sexual assault, or stalking, your housing provider may ask you for such documentation, as described in the documentation section below.

2. **You expressly request the emergency transfer.** Your housing provider may choose to require that you submit a form, or may accept another written or oral request.

3. **You reasonably believe you are threatened with imminent harm from further violence if you remain in your current unit.** This means you have a reason to fear that if you do not receive a transfer you would suffer violence in the very near future.

**OR**

You are a victim of sexual assault and the assault occurred on the premises during the 90-calendar-day period before you request a transfer. If you are a victim of sexual assault, then in addition to qualifying for an emergency transfer because you reasonably believe you are threatened with imminent harm from further violence if you remain in your unit, you may qualify for an emergency transfer if the sexual assault occurred on the premises of the property from which you are seeking your transfer, and that assault happened within the 90-calendar-day period before you expressly request the transfer.
The PHA will keep confidential requests for emergency transfers by victims of domestic violence, dating violence, sexual assault, or stalking, and the location of any move by such victims and their families.

The PHA’s emergency transfer plan provides further information on emergency transfers, and the PHA must make a copy of its emergency transfer plan available to you if you ask to see it.

**Documenting You Are or Have Been a Victim of Domestic Violence, Dating Violence, Sexual Assault or Stalking**

The PHA can, but is not required to, ask you to provide documentation to “certify” that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking. Such request from the PHA must be in writing, and the PHA must give you at least 14 business days (Saturdays, Sundays, and federal holidays do not count) from the day you receive the request to provide the documentation. The PHA may, but does not have to, extend the deadline for the submission of documentation upon your request.

You can provide one of the following to the PHA as documentation. It is your choice which of the following to submit if the PHA asks you to provide documentation that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

- A complete HUD-approved certification form given to you by the PHA with this notice, that documents an incident of domestic violence, dating violence, sexual assault, or stalking. The form will ask for your name, the date, time, and location of the incident of domestic violence, dating violence, sexual assault, or stalking, and a description of the incident. The certification form provides for including the name of the abuser or perpetrator if the name of the abuser or perpetrator is known and is safe to provide.

- A record of a Federal, State, tribal, territorial, or local law enforcement agency, court, or administrative agency that documents the incident of domestic violence, dating violence, sexual assault, or stalking. Examples of such records include police reports, protective orders, and restraining orders, among others.

- A statement, which you must sign, along with the signature of an employee, agent, or volunteer of a victim service provider, an attorney, a medical professional or a mental health professional (collectively, “professional”) from whom you sought assistance in addressing domestic violence, dating violence, sexual assault, or stalking, or the effects of abuse, and with the professional selected by you attesting under penalty of perjury that he or she believes that the incident or incidents of domestic violence, dating violence, sexual assault, or stalking are grounds for protection.

- Any other statement or evidence that the PHA has agreed to accept.

If you fail or refuse to provide one of these documents within the 14 business days, the PHA does not have to provide you with the protections contained in this notice.

If the PHA receives conflicting evidence that an incident of domestic violence, dating violence, sexual assault, or stalking has been committed (such as certification forms from two or more members of a household each claiming to be a victim and naming one or more of the other petitioning household members as the abuser or perpetrator), the PHA has the right to request that you provide third-party documentation within thirty 30 calendar days in order to resolve the conflict. If you fail or refuse to provide third-party documentation where there is conflicting evidence, the PHA does not have to provide you with the protections contained in this notice.
Confidentiality
The PHA must keep confidential any information you provide related to the exercise of your rights under VAWA, including the fact that you are exercising your rights under VAWA.

The PHA must not allow any individual administering assistance or other services on behalf of the PHA (for example, employees and contractors) to have access to confidential information unless for reasons that specifically call for these individuals to have access to this information under applicable Federal, State, or local law.

The PHA must not enter your information into any shared database or disclose your information to any other entity or individual. The PHA, however, may disclose the information provided if:

- You give written permission to the PHA to release the information on a time limited basis.
- The PHA needs to use the information in an eviction or termination proceeding, such as to evict your abuser or perpetrator or terminate your abuser or perpetrator from assistance under this program.
- A law requires the PHA or your landlord to release the information.

VAWA does not limit the PHA’s duty to honor court orders about access to or control of the property. This includes orders issued to protect a victim and orders dividing property among household members in cases where a family breaks up.

Reasons a Tenant Eligible for Occupancy Rights under VAWA May Be Evicted or Assistance May Be Terminated

You can be evicted and your assistance can be terminated for serious or repeated lease violations that are not related to domestic violence, dating violence, sexual assault, or stalking committed against you. However, the PHA cannot hold tenants who have been victims of domestic violence, dating violence, sexual assault, or stalking to a more demanding set of rules than it applies to tenants who have not been victims of domestic violence, dating violence, sexual assault, or stalking.

The protections described in this notice might not apply, and you could be evicted and your assistance terminated, if the PHA can demonstrate that not evicting you or terminating your assistance would present a real physical danger that:

1. Would occur within an immediate time frame, and
2. Could result in death or serious bodily harm to other tenants or those who work on the property.

If the PHA can demonstrate the above, the PHA should only terminate your assistance or evict you if there are no other actions that could be taken to reduce or eliminate the threat.

Other Laws

VAWA does not replace any federal, state, or local law that provides greater protection for victims of domestic violence, dating violence, sexual assault, or stalking. You may be entitled to additional housing protections for victims of domestic violence, dating violence, sexual assault, or stalking under other Federal laws, as well as under State and local laws.
