Aloha! It is with great pleasure that I recognize the men and woman of the Kaua‘i Police Department in their ongoing commitment to making Kaua‘i a better, safer place to live and visit.

The people of Kaua‘i are fortunate to have a police department that goes beyond law enforcement, and focuses on prevention, community service, educational outreach and charity work, including:

• More than doubling the amount of search warrants initiated from the previous year, leading to the recovery of countless illegal firearms, drugs, drug paraphernalia, stolen money and goods.
• Continuing advanced training opportunities, including hosting the FBI National Academy for a workshop tailored to senior law enforcement.
• Creation of the Fugitive Apprehension Strike Team, with the specific goal of capturing wanted individuals.
• Expanding the courses and opportunities offered to Kaua‘i’s youth through the Kaua‘i Police Activities League.
• Increasing traffic enforcement efforts, which has led to the most number of traffic citations and fewest traffic fatalities on Kaua‘i in recent history.

Our officers are truly public servants and I commend their dedication and commitment to serving our community and bettering the Kaua‘i Police Department.

Bernard P. Carvalho, Jr.
Mayor, County of Kaua‘i
The Kaua`i Police Commission consists of seven members, appointed by the mayor, and confirmed by the Kaua`i County Council. The Commission holds regular public meetings at a designated time and place. The Kaua`i Police Commission is mandated with these responsibilities:

- Appoints and may remove the Chief of Police.
- Adopt such rules it may consider necessary for the conduct of its business and the regulation of matters relating to the goals and aims of the Kaua`i Police Department.
- Review the annual budget prepared by the Chief of Police and may make recommendations thereon to the Mayor.
- Receive, consider and investigate charges brought by the public against the conduct of the department or any of its members and submit a written report of its findings to the Chief of Police within 90 days.
- Refer all matters relating to the administration of the department to the Chief of Police.
Aloha,

During 2011, the Kaua‘i Police Department continues to set many goals to provide the citizens and visitors of Kaua‘i with a better, efficient and effective police department.

Our major goals included:

1. Filling vacancies by recruiting new police officers.
2. Completion of the temporary police sub-station at the old Waimea Dispensary.
3. Obtaining the lease agreement and setting the foundation for a permanent police station in the Kawaihau District.
4. Expansion of our K-PAL programs.
5. Reduction in crimes against property and crimes against persons by 10%.
6. Continued enforcement efforts on our roadways to reduce serious collisions resulting in injuries.
7. Continued updating of our policies and procedures as we move toward accreditation.

I am happy to report that our goals were accomplished through the hard work of our dedicated employees.

Without a doubt, KPD exemplifies our cultural heritage of being Pono by living the core values of Respect, Integrity, and Professionalism, strongly committed to improving the quality of life for our citizens and visitors alike.

I would also like to take this time to thank our Community and the Kauai Police Commission for their continued and unwavering support.

POWERS, DUTIES and FUNCTION

CHIEF OF POLICE

The Chief of Police plans, organizes, staffs, directs and controls the personnel and resources of the department and administers the department in a manner consistent with the Charter of the County of Kaua‘i and the laws of the State of Hawai‘i.

The Chief of Police is responsible for the following:

- Preservation of the public peace
- Protection of rights of persons and property
- Prevention of crime
- Detection and arrest of offenders
- Enforcement of all State laws and County ordinances and all rules and regulations made pursuant thereto; and
- Service of processes and notices in criminal and civil proceedings.

The Chief is also responsible for training, equipping, maintaining, and supervising a force of police officers and necessary staff.

From time to time, the Chief of Police makes reports to the Police Commission as required. In addition, the Chief of Police submits an annual report to the Police Commission of the state of affairs and condition of the department.

CRIMINAL INTELLIGENCE UNIT

The Criminal Intelligence Unit of the Kaua‘i Police Department works directly under the Office of the Chief of Police.

The primary goal of the unit is to gather raw data related to organized crime activities in the County of Kauai and the State of Hawaii. Such activities involve gambling, prostitution, loan sharking, illegal drug distribution, counterfeiting, extortion, and corruption of law enforcement officers and public officials. The Unit then takes the raw data and creates an actionable intelligence product and disseminates the intelligence product to respected bureaus for further investigation. The unit also provides dignitary protection, monitors domestic and international terrorist activities and serves as a vital support group for other bureaus within the department.

Acting Lieutenant Ezra Kanoho was responsible for directing, planning, and coordinating overall activities of the unit.

Acting Sergeant Christopher Calio and Officer Alan Santella were tasked with overseeing field operations.

The Criminal Intelligence Unit is part of a statewide network of officers from various police departments and law enforcement agencies. Officers work collectively investigating, collating, and analyzing information regarding
organized crime and other criminal elements.
Administrative & Technical Bureau
Assistant Chief Mark Begley was responsible for planning, directing, and coordinating activities within the Administrative and Technical Bureau for 2011.

The primary function of the Administrative & Technical (A&T) Bureau is to provide support services to other police units, by assisting them in meeting their own departmental objectives. Sections within A&T include: Fiscal and Personnel, Records, Training, ID Tech, Research and Development, and Community Relations. Additional services are provided in Telecommunications, Automated Fingerprint Identification System (AFIS), Evidence, Firearms, and Fleet Maintenance.

**FISCAL AND PERSONNEL**

The fiscal section of the Administrative and Technical Bureau is staffed by Fiscal Officer Daurice Amuda, Personnel Assistant Vivian Akina, and Account Clerks Mona Mae Caldeira and Melanie Luis. The basic function of this section is to administer the department’s fiscal program and the department’s personnel matters.

This support section assists Administration in coordinating and developing the department’s annual operational budget and provides technical support for all matters relating to accounting, purchasing, inventory, contracts, payroll and general fiscal management activities of the department. The Personnel Assistant plays a key role in assisting with the hiring process as part of an ongoing effort to fill vacancies.

Total expenditures for the year 2011 were $25,801,328.42 compared to $23,167,485.060 for the previous year. Salaries and salary related expenditures amounted to $20,684,109.32 or 80% of total expenditures for the year.

The following chart depicts the department’s sworn and civilian strength as of December 31, 2011.

In 2011, the Department hired five (5) Public Safety Workers, four (4) Radio Dispatchers, a Account Clerk, a Personnel Clerk, two (2) temporary Background Investigators, a temporary Police Equipment Maintenance Coordinator, and three (3) part-time School Crossing Guards. In addition, two (2) Student Interns were contracted for one month.

During the year, fifteen (15) employees separated from service: five (5) retirements, five (5) resignations, five (5)
appointment terminations and an inter-departmental movement.

**RESEARCH AND DEVELOPMENT**

The Research and Development Section consists of a Lieutenant and two Sergeants, one of whom is in charge of Community Relations. Lieutenant Scott K. Kaui was in command of the section in 2011.

The section is responsible for procuring uniforms and equipment, assisting with department inventory, initiating and formulating contracts, coordinating physical examinations and urinalysis screening, establishing safety and health programs, obtaining funding through various grants, and participating in various community related service projects. In addition, the section also conducts project research, analyzes crime trends, and coordinates the department’s written directive system.

The most critical role of the section continues to be the recruitment, hiring, and background investigations for both sworn and civilian employees. In 2011, several efforts were made to streamline and enhance the hiring process.

In 2011, the first Physical Readiness Standardized Test (PRST) for Police Services Officer candidates was successfully conducted. Its purpose was to establish physical fitness standards since police officers’ physiological capabilities and physical readiness bear directly upon their safety and effectiveness, as well as to the safety of co-workers and other citizens.

A Personnel Clerk was hired in August 2011 to assist with meeting the goals of this section. The primary purpose of the newly created position was to expedite the department’s recruitment and background investigation process. An additional Background Investigator was also hired to assist in the background investigations of Police Services Officer applicants.

A recruitment incentive for School Crossing Guards was put into place in 2011. The incentive provides for a reimbursement of the cost of the pre-employment physical examination, as physicals are not normally covered by health insurance. Additionally, the department received approval to allow School Crossing Guards to work up to 19 hours per week (as opposed to a limit of 10 hours per week), on an as-needed basis, at the Principal’s discretion.

The Research and Development section continues to explore ways to streamline and enhance the recruitment/hiring process, as we continue our goal of attracting and retaining the most qualified and best-suited applicants for the department.

**COMMUNITY RELATIONS**

Community Relations Sergeant, Paul Applegate participated in many community-related service activities.
Some of these activities included conducting station tours and presentations with various groups throughout the island, covering topics such as drug awareness, personal safety awareness, school safety and shop with a cop. Sgt. Applegate also attended numerous career and recruitment fairs.

The Annual Special Olympics/Troy Barboza Torch Run, Cop on Top, and Kaua`i United Way drive were just some of the community fundraisers the section was involved with in 2011.

**POLICE EXPLORER PROGRAM**

In 2011, the Police Explorer Program was led by Officer Darla Abbatiello. The Explorer’s Program is designed for career-oriented young adults aged 14 through 20. Members are referred to as "Explorer" and, while the program is part of the Boy Scouts of America, the Explorer program is instinctively different from scouting. Explorer is a co-educational, young-adult program developed and supervised by local community organizations, businesses and individuals providing an opportunity for young adults to explore a particular career field. The Kaua`i Police Explorer Post is sponsored by the Kaua`i Rural Development Project, the Kaua`i Police Department & the Kaua`i Community College.

This program is designed to educate and involve young men and women in police operations and to interest them in law enforcement functions whether they enter the law enforcement field or not.

As an Explorer, young adults have the opportunity to assist the Kaua`i Police Department by assisting officers with traffic control and security at community events, participating in law enforcement training sessions and community-relations activities. Through these activities, Explorers broaden their understanding and firsthand knowledge of the challenges and job skills that make up their community’s police service. In addition to gaining a working knowledge of police work, the participants have the opportunity to give of themselves to their community. There were twelve Explorers in the program in 2011.

**RECORDS, EVIDENCE, FIREARMS, CIVIL FINGERPRINTING, AFIS SECTION, LEGAL DOCUMENTS, STATISTICS & SEX OFFENDER REGISTRY**

Ms. Audrey Silva served as temporary Records Unit Supervisor and Custodian of Records. Ms. Silva directed a staff that consisted of the following personnel: Ms. Joni Arakaki, Reports Reviewer II; Ms. Allison Ageno, Warrants
Clerk; Ms. Emily Fabro, Weapons Registration Clerk; Mr. Scott Yamaguchi, ID Technician III, Ms. Taytralyn K. M. Nuivo, Clerk, Ms. Kristal Nebre, Police Evidence Clerk; and Ms. Eunice Apeles, Police Evidence Custodian.

One of the primary responsibilities of this section is maintaining records and services consistent with the Uniform Crime Reporting Standards, Federal, State, and County laws, as well as departmental rules, regulations and policies.

Overall, the section is responsible for the following processes: Legal documents (warrants, subpoenas, summons, and TRO’s), firearms registration and permits, evidence receiving and storage, civil employment fingerprinting services, insurance requests, report duplication, police and criminal record checks, for criminal conviction and sex offender registry inquiries, expungement orders, National Crime Information Center (NCIC) records management system data entry & maintenance, maintaining individual arrest records and all police reports filed with the department.

Another important responsibility of this section is ensuring evidence items are accounted for from initial receipt to final disposition, including maintaining proper chain of custody procedures when items are sent for testing or used during trial.

Scott Yamaguchi, who is the Automated Fingerprint Identification System (AFIS) Computer Specialist, helps identify suspects from latent fingerprints recovered at crime scenes. First-time and repeat offenders are processed and maintained in a statewide AFIS database.

Audrey Silva continued to serve as the department’s Police Records Analyst in charge of the Uniform Crime Reporting System. She also serves as the department’s primary administrator for the NCIC database and is involved with the operational and administrative audits for these systems.

IDENTIFICATION & CRIME SCENE TECHNOLOGY

Lieutenant Dan Miyamoto was in charge of the department’s Identification & Crime Scene Technology Section, and also oversaw activities involving the police fleet and equipment maintenance unit.

Lt. Miyamoto, who is the primary on-call technician, responded to numerous cases throughout the year, including murder, robbery, arson, sex assault and traffic (fatal) accidents.

The basic function of this section is to support the Patrol Services and Investigative Services Bureaus by providing photography, latent fingerprint (dusting, ninhydrin, and superglue), gunshot residue swabbing, alternative light source scanning, DNA, trace particle, and evidence collection services.

POLICE FLEET AND EQUIPMENT MAINTENANCE

Mr. Michael Layosa served as the temporary Police Fleet and Equipment Maintenance Coordinator until the hiring of Matthew Beadle. They were responsible for the Police Fleet Maintenance budget and expenditures and coordinated all repairs and maintenance for the department’s vehicles and equipment.

Mr. Beadle continued to utilize an in-depth service plan to ensure all police vehicles were running safely and efficiently. He received work discrepancies of the police fleet and equipment and coordinated the repairs with the County Maintenance Base Yard in Lihue. He also worked closely with private auto service outlets on more extensive vehicle and equipment repairs. He was also responsible for generating requisitions for parts, supplies, and all repairs that were needed.

The Fleet Maintenance Coordinator maintains a total of 170 vehicles in his fleet, 120 marked vehicles and 50 unmarked vehicles. In addition to fleet responsibilities, the Fleet Coordinator maintains other types of department equipment, including the Mobile Incident Command Center vehicle, forklift, emergency generators, light generators, off road emergency vehicles, and various types of trailers to transport, and house emergency equipment including signage road light trailers for the Traffic safety Unit.
Investigative Services Bureau
Assistant Chief Roy Asher is the Commander of the Investigative Services Bureau. The bureau is comprised of experienced and seasoned veterans who have received advanced and specialized training in various disciplines. They are tasked to investigate the whole gamut of cases, from a simple misdemeanor case to the most serious and complex felony case, both self-initiated and as follow-up on cases referred by the Patrol Services Bureau. In addition, detectives investigate cases of a non-criminal nature, such as unattended deaths, in order to determine that no foul play was involved. The Bureau conducts outreach training or presentations. This includes, but not limited to, drug and gang awareness education, theft and burglary prevention, and victimization. **Crisis Negotiators Team**

The Crisis Negotiators Team (CNT) is comprised of officers from both Patrol Services Bureau and Investigative Services Bureau. The Team’s operational responsibilities fall under the command of the ISB Assistant Chief.

The Team was under the command of Lieutenant Jon Takamura which has a total of 7 members. The members are trained in a peaceful mediation of crisis situation. The team is summoned to all hostage situations, suicide attempts, barricaded subjects, and any other crisis situation which calls for mediation or negotiations.
**SPECIAL SERVICES TEAM**

The Special Services Team (SST) is comprised of officers from all three bureaus of the department. The Team’s operational responsibilities fall under the command of the ISB Assistant Chief.

The team was under the command of Lt. Michael Gordon. The Special Services Team, comprised of 17 members, is activated when critical situations arise requiring special police consideration. Cases include hostage and barricaded suspect incidents, area and building sweeps for dangerous perpetrators, and high-risk search warrant entries.

To be a member of the SST, officers must be able to meet and maintain qualification and eligibility standards in areas that include overall physical fitness, firearms and weapons proficiency, and rappelling.

**KAUA`I POLICE ATHLETIC LEAGUE (K-PAL)**

The Kaua`i Police Athletic League (K-PAL) continues to expand its reach to the youngsters ages 4 through 18 throughout the island.

Under the direction of Office Mark Ozaki, the K-PAL program has maintained strength in its overall number of participants year after year.

The 2011 flag football and cheerleading season again was a major success, with hundreds of youth participating. Teams of players in various age groups were formulated in every major district and townships throughout the island.

The wrestling, boxing and Jiu-Jitsu programs continue to grow while offering competitors an opportunity to test their skills not only on Kaua`i, but statewide and nationally as well.

Hip-Hop dancing and other activities are also offered.
Patrol Services Bureau
The Patrol Services Bureau has always been the “backbone” of the Kaua‘i Police Department, and without exception is the most crucial element of the entire organization. In terms of manpower, patrol is the largest of the three bureaus, with nearly two-thirds of the department’s sworn personnel comprising its ranks.

Assistant Chief Alejandre Quibilan was in command of the bureau with Acting Captain Mark Scribner assisting in an operational capacity until his retirement. Sergeant Eric Kaui, up until his retirement, was the Acting Patrol Administrative Lieutenant who is in charge of Communications and the Detention Center/Holding Facility.

Dedicated patrol support staff included Michelle Albarado, Clerk Supervisor; Amy Agcaoili, Police Records Clerk; and three District Senior Clerks.

The Patrol Services Bureau is responsible for the following:

- Preservation of the Public Peace
- Prevention of Crime
- Identification and Apprehension of Offenders
- Enforcement of all State Laws and County Ordinances
- Protection of Rights

The bureau is divided into three main districts, Hanalei, Lihue, and Waimea. A Lieutenant or District Commander is given overall responsibility for each region, and is assisted by three Sergeants. The Sergeants are responsible for the immediate supervision of a squad comprised of up to eight officers. In addition, each district receives assistance from an assigned Senior Clerk.

The Patrol Bureau also has three vital support sections: Traffic Safety Unit (TSU), Emergency Dispatch-Communications, and Detention Center/Holding Facility.

Community events for the year included:

- Waime‘a Town Celebration
- Kauai World Challenge Canoe Race
- Kaua‘i Hospice Concert in the Sky

LIHUE DISTRICT (Central Kaua`i)

Acting Lieutenant Trent Shimabukuro served as the District Commander in Lihue for the year 2011. District Supervisors included Sergeants, Todd Tanaka and Carl Oliver, and Acting Sergeant Len Nitta. Senior Clerk Mike Lane provided clerical and administrative support.

The Lihue District is the hub and main business & commercial district on the island. It encompasses the central, heavily populated region of Kaua`i, extending from Kapaa Town to the “Tunnel of Trees” near Koloa. The larger population and higher concentration of businesses, government offices, transportation and special event venues typically equates to a greater caseload for Lihue officers.

The district continues to serve as a training ground for newly graduated recruits, who along with their Field Training Officers will be routinely assigned to the Lihue District sectors for increased case exposure.

Special Projects and Community events for the year included:

- The Annual Kaua`i Hospice Concert in the Sky
- Visitor Industry Charity Walk, Special Olympics Torch Run, and multiple non-profit fundraisers

The Lihue District handles between 46-50 percent of all calls each month on the island. The Lihue District officers have high caseloads, which demand much of their time on duty with investigations and report writing. They’re also counted on to conduct traffic enforcement, serve legal documents and monitor their areas of assignment.

In 2011, officers working in the Lihue District collectively issued 4,963 citations. They also made 1,764 arrests. 83 of those arrests were for impaired driving.

WAIMEA DISTRICT (South Shore to West Kaua`i)

The Waimea District begins at the Halfway Bridge located on Kaumualii Highway vicinity of State Mile Marker 5 to the far Westside of the Island (Polihale), to include Kokee State Park and the Island of Ni`ihau.

Within this area of responsibility includes nine (9) rural communities spread across approximately 311 square miles on the Island of Kaua`i. Within this area, there are seven (7) schools ranging from elementary, middle, and a high school. The Waimea Sub-Station is located 23 miles west of Līhu`e and has been shared with the Kaua`i Fire Department since 1976.
There are currently twenty-eight (28) employees assigned to the Waimea District which consisted of a District Commander Lieutenant Richard W. Officers in the District in an attempt to insure the safety of our roadways issued 8,320 citations and arrested 56 impaired drivers in 2011. The officers also made 1,891 arrests in their effort to protect the community.

Numerous special operations were conducted in 2011 to address various community concerns and to deter the opportunity to initiate criminal activity.

Hanalei District consists of very diverse communities, and has officers that are skilled at dealing with unique challenges that the area provides. Whether it is addressing a road closure due to the Hanalei River flooding, or coralling a few horses and cows that strayed away from their pasture, Hanalei District officers are equipped to handle any situation. Hanalei District boundaries start at Kapaa town located on the east side of the island, and extend up to Kee Beach on Kaua’i’s north shore.

Hanalei District officers have frequently received letters of commendation from the community for their outstanding service. These letters have been from citizens expressing appreciation for thorough investigations, addressing community concerns, and holding informative community meetings.
In 2011, officers working in the Hanalei District collectively issued 6,059 citations. They also made 1,158 arrests. 71 of those arrests were for subjects driving under the influence.

During the year, officers participated in several Special Operations and community functions including but not limited to the following:

- Child safety restraint monitoring at schools
- Relay for Life
- Neighborhood Watch and Crime Prevention presentations
- COP on TOP (Special Olympics fundraiser)
- Drunk driving enforcement
- Speeding enforcement in areas identified by the community
- Drug, safety, and police awareness presentations at various schools
- Participation in Kaua`i Police Activity League events

**TRAFFIC SAFETY UNIT**

The Traffic Safety Unit (TSU) consisted of a total of six Police Officers and two civilian personnel. The Commander was Lieutenant Mark Scribner who was assisted by Sergeant Robert Gausepohl. The traffic investigators consist of Officer Elliott Ke, Officer Jason Overmyer, Officer Vernon (Jay) Scribner and Officer Ray Takekawa. The civilian support staff was comprised of Amy Agcaoili and Michele Albarado.

TSU creates a forensic sketch of crash scenes and conducts in depth and technical investigations of Negligent Homicide or Negligent Injury type cases. In addition, TSU has assisted Detectives with forensic sketches.

A proactive approach to traffic safety remained a high priority, as each officer was also tasked with enforcing traffic laws and ordinances, including speeding, seatbelt, and OVUII.

**COMMUNICATIONS/DISPATCH**

The Kaua‘i Police Department Communications Center has 1 Dispatch Supervisor, 20 Full Time Dispatchers, 17 are County Positions and 3 are State Funded.

The Communications Section of the Kaua‘i Police Department is where it all begins. Every call for service whether it be a 911 call or a non emergency call comes through the Communications Section for service. The Kaua‘i Police Department’s Communications Center is responsible for dispatching the entire County of Kaua‘i, Police, Fire and Medics as well as other County Agencies after Hours.

Dispatchers go through 5 weeks of Classroom Training which includes 3 days of EMD (Emergency Medical Dispatch Training) upon completion the Dispatcher becomes certified in CPR. They also receive 8 weeks of on-the-job training with a DTO (Dispatch Training Officer).

The Communications Center is responsible for warrants and wanted persons checks via NCIC and is certified every two years.

Dispatchers hold a great deal of responsibility. They are the life link for every agency and person who they dispatch. In addition to all their duties, the dispatchers are also Emergency Medical Dispatch (EMD) certified. That means that they have the ability to give life saving instructions to the callers on the phone. Many lives have been saved because of the skill and abilities of the dispatchers. They are the First Responders. The Communications Center answers all 911 lines in the County of Kaua‘i.

They deal with many different types of calls – some serious emergencies, others informational only. There is nothing that will throw a dispatcher into top gear faster than a screaming mom on the other end of the line saying her baby is not breathing, or a distraught wife who has found her husband unconscious. Every call that comes into the center is answered in a professional and skilled manner.

Every April of each year, during National Telecommunications Week, the Dispatchers are recognized for the unending work that they perform on a daily basis for the public.
DETENTION CENTER (Holding Facility)

Supervisory responsibilities for the Kaua‘i
Police Detention Center rested on the shoulders of Sergeant Eric Kaui. There are ten allotted positions assigned to cell block. The five full-time Public Safety Workers; Collette Saiki, Ernest Ganiron, Andrew Muraoka, Roy Waskoviak, and Kelsey Mundon were assigned to the unit.

Supplemental staffing came via way of sworn police officers working on an overtime basis and Officer Dean Martin being permanently assigned.

The facility is comprised of a fenced in carport with electronic gates, an intercom/communication system, video surveillance cameras and monitors, showers, restrooms, a central booking and processing room, visitation room, two holding cells (1 Adult and 1 Juvenile/Female), six Detention cells and a main control center.
