Aloha! It is with great pleasure that I recognize the men and woman of the Kaua’i Police Department in their ongoing commitment to making Kaua’i a better, safer place to live and visit.

The people of Kaua’i are fortunate to have a police department that goes beyond law enforcement, and focuses on prevention, community service, educational outreach and charity work, including:

- More than doubling the amount of search warrants initiated from the previous year, leading to the recovery of countless illegal firearms, drugs, drug paraphernalia, stolen money and goods.
- Continuing advanced training opportunities, including hosting the FBI National Academy for a workshop tailored to senior law enforcement.
- Creation of the Fugitive Apprehension Strike Team, with the specific goal of capturing wanted individuals.
- Expanding the courses and opportunities offered to Kaua’i’s youth through the Kaua’i Police Activities League.
- Increasing traffic enforcement efforts, which has led to the most number of traffic citations and fewest traffic fatalities on Kaua’i in recent history.

Our officers are truly public servants and I commend their dedication and commitment to serving our community and bettering the Kaua’i Police Department.

Bernard P. Carvalho, Jr.
Mayor, County of Kaua’i
The Kaua’i Police Commission consists of seven members, appointed by the mayor, and confirmed by the Kaua’i County Council. The Commission holds regular public meetings at a designated time and place. The Kaua’i Police Commission is mandated with these responsibilities:

- Appoints and may remove the Chief of Police.
- Adopt such rules it may consider necessary for the conduct of its business and the regulation of matters relating to the goals and aims of the Kaua’i Police Department.
- Review the annual budget prepared by the Chief of Police and may make recommendations thereon to the Mayor.
- Receive, consider and investigate charges brought by the public against the conduct of the department or any of its members and submit a written report of its findings to the Chief of Police within 90 days.
- Refer all matters relating to the administration of the department to the Chief of Police.
Aloha,

The Kauai Police Department set four departmental goals as our main priorities, but you should also know that they are not exhaustive. Each bureau, likewise, have their own internal goals and objectives that contribute to the successes of this organization in keeping our communities safe.

Goals for 2014:

1. In our continuing effort to recruit the very best to fill vacant Police Services Officers’ positions, KPD emphasized increasing gender ratios by hiring more female officers. In 2014 KPD exceeded our goal by hiring 5 highly qualified female officers.

2. Community outreach to engage and empower our citizens is vitally important to reduce the perception and feelings of fear and helplessness associated with crime. In that regard KPD held over 20 community meetings to include our seniors who are often forgotten by the mainstream. During these meetings we addressed victimization and security concerns, especially with our aging population. Further, we assured our community that crime is not out of control and dispelled negative media reporting that distorts the fact that Kauai is still the safest county in the state of Hawaii.

3. The use and trafficking of illicit drugs has far reaching negative influences on our communities. Many of the most violent crimes have a nexus with illegal drugs: domestic violence, murders, assaults, and crimes against property such as burglaries and thefts. The Kauai Police Department understands the connection related to drug purveyors and our quality of life and is therefore committed to apprehend, disrupt,
and dismantle major Drug Trafficking Organization(s) operating within this jurisdiction. In 2014, we arrested over 50 major drug violators, and recovered hundreds of thousands of dollars of illegal drugs and assets derived from illegal drug enterprises.

4. Traffic studies reveal that crashes nationwide account for almost $3 billion in monetary losses because of medical and emergency services, lost earnings and household production, property damage, resulting in reduced quality of life. Annually 33,000-40,000 people die on our nation’s roadways. As such the National Highway Traffic Safety Administration (NHTSA) urges policymakers at all levels of government to make traffic safety a top priority. The goals in our traffic safety endeavors were to reduce major traffic collisions that result in death and/or serious bodily injuries. Although there were eight traffic fatalities, our enforcement and educational efforts prevented more possible deaths on our highways. For 2014 KPD issued a total of 11,033 citations: 3,112 speeding, 7,921 moving, 1,323 cell phone and 396 equipment violations, 1,626 seatbelt and child restraint violations, and arrested 253 individuals for driving under the influence of drugs or alcohol.

Please continue to support your police department as we work together in partnership to make the County of Kauai a safer community to live and raise our children.

The Chief of Police plans, organizes, staffs, directs and controls the personnel and resources of the department and administers the department in a manner consistent with the Charter of the County of Kaua`i and the laws of the State of Hawai`i.

The Chief of Police is responsible for the following:

- Preservation of the public peace
- Protection of rights of persons and property
- Prevention of crime
- Detection and arrest of offenders
- Enforcement of all State laws and County ordinances and all rules and regulations made pursuant thereto; and
- Service of processes and notices in criminal and civil proceedings.

The Chief is also responsible for training, equipping, maintaining, and supervising a force of police officers and necessary staff.

From time to time, the Chief of Police makes reports to the Police Commission as required. In addition, the Chief of Police submits an annual report to the Police Commission of the state of affairs and condition of the department.

The Criminal Intelligence Unit of the Kaua`i Police Department works directly under the Office of the Chief of Police.

The primary goal of the unit is to gather raw data related to organized crime activities in the County of Kauai and the State of Hawaii. Such activities involve gambling, prostitution, loan sharking, illegal drug distribution, counterfeiting, extortion, and corruption of law enforcement officers and public officials. The Unit then takes the raw data and creates an actionable intelligence product and disseminates the intelligence product to respected bureaus for further investigation. The unit also provides dignitary protection, monitors domestic and international terrorist activities and serves as a vital support group for other bureaus within the department.

Lieutenant Paul Applegate was responsible for directing, planning, and coordinating overall activities of the unit.

Sergeant Elliot Ke and Officer Alan Santella were tasked with overseeing field operations.

The Criminal Intelligence Unit is part of a statewide network of officers from various police departments and law enforcement agencies. Officers work collectively investigating, collating, and analyzing information regarding organized crime and other criminal elements.
Administrative & Technical Bureau
Acting Assistant Chief Robert Gausepohl was responsible for planning, directing, and coordinating activities within the Administrative and Technical Bureau for 2014.

The primary function of the Administrative & Technical (A&T) Bureau is to provide support services to other police units, by assisting them in meeting their own departmental objectives. Sections within A&T include: Fiscal and Personnel, Records, Training, Fleet Maintenance, Research and Development, and Community Relations. Additional services are provided in Telecommunications, Automated Fingerprint Identification System (AFIS), Evidence, Firearms, and Fleet Maintenance.

This support section assists Administration in coordinating and developing the department’s annual operational budget and provides technical support for all matters relating to accounting, purchasing, inventory, contracts, payroll and general fiscal management activities of the department. The Personnel Assistant plays a key role in assisting with the hiring process as part of an ongoing effort to fill vacancies.

Total expenditures for the year 2014 were $27,139,766.87 compared to $27,272,828.75 for the previous year. Salaries and salary related expenditures amounted to $22,915,293.30 or 84% of total expenditures for the year.

The following chart depicts the department’s sworn and civilian strength as of December 31, 2014.

In 2014, the Department hired nine (9) Police Services Officers, eight (8) Emergency Services Dispatchers formerly known as Radio Dispatchers, one (1) Police Records Clerk, a Crime Scenes Specialist I, one (1) temporary Grant Accountant Specialist, one (1) temporary Police Evidence Utility Clerk and a part-time Off-Duty Clerk.

During the year, eighteen (18) employees separated from service: six (6) retirements, eight (8) resignations, three (3) appointment terminations and a short term appointment termination.
RESEARCH AND DEVELOPMENT

The Research and Development Section consists of a Lieutenant and two Sergeants, one of whom is in charge of Community Relations. Lieutenant Paul Applegate was in command of the section in 2014.

The section is responsible for procuring uniforms and equipment, assisting with department inventory, initiating and formulating contracts, coordinating physical examinations and urinalysis screening, establishing safety and health programs, obtaining funding through various grants, and participating in various community related service projects. In addition, the section also conducts project research, analyzes crime trends, and coordinates the department’s written directive system.

The most critical role of the section continues to be the recruitment, hiring, and background investigations for both sworn and civilian employees. In 2014, continued efforts were made to streamline and enhance the hiring process without lowering the applicant standards.

In 2014, The Physical Readiness Standardized Test (PRST) for Police Services Officer candidates continued to be a success in the hiring process. Its purpose was to establish physical fitness standards since police officers’ physiological capabilities and physical readiness bear directly upon their safety and effectiveness, as well as to the safety of co-workers and other citizens.

The Research and Development section continues to explore ways to streamline and enhance the recruitment/hiring process, as we continue our goal of attracting and retaining the most qualified and best-suited applicants for the department.

COMMUNITY RELATIONS

Community Relations Sergeant, Roderick Green participated in many community-related service activities.

Some of these activities included conducting station tours and presentations with various groups throughout the island, covering topics such as drug awareness, personal safety awareness, school safety and shop with a cop. Sgt. Green also attended numerous career and recruitment fairs.

The Annual Special Olympics/Troy Barboza Torch Run, Cop on Top, and Kaua’i United Way drive were just some of the community fundraisers the section was involved with in 2014.
CITIZEN’S POLICE ACADEMY

The Citizens Police Academy is an interactive program designed to educate the public about KPD policies and the criminal justice system. The CPA allows the police department and interested citizens of Kauai to share information and ideas in an interactive and positive setting, with the goal of building relationships, increasing community involvement, and reducing crime on our island.

Classroom and field instruction cover a variety of subjects to give participants a brief overview of what it takes to be a police officer. Topics include: firearms; crime scenes; communications; police vehicles; report writing; domestic violence; and community policing.

Misconceptions, suspicions, and fear of law enforcement arise from a lack of understanding of police responsibilities. We can avoid these issues through education and information sharing, and building a better understanding of the work of police department personnel.

CPA participants meet three to four hours once a week, on a week night or a Saturday, for thirteen weeks. Most sessions are held at Lihue Headquarters. Participants also visit the Kipu Pistol Range and other locations as needed, including a police vehicle ride-along. There is no cost to join the Citizens Police Academy.

RECORDS, EVIDENCE, FIREARMS, CIVIL FINGERPRINTING, AFIS SECTION, LEGAL DOCUMENTS, STATISTICS & SEX OFFENDER REGISTRY

Records Supervisor Eunice M. Apeles served as the overall supervisor for the department’s Records Section, which includes Firearms Registration, AFIS, and Evidence. This section was staffed by Joni Y. Arakaki (Police Records Analyst), Allison K. Ageno (Police Report Reviewer), Kristal V. Nebre (Evidence Custodian), Mikalynn M. Hiranaka (Police Records Clerk), Clyde J. Letreta (Senior Clerk AFIS), Taytralyn J.N. Nuivo (Police Warrants Clerk), Jeaneth M. Panoy (Weapons Registration Clerk), Nancy A. Zoder, (Police Records Clerk)

One of the primary responsibilities of this section is maintaining records and services consistent with the Uniform Information Reporting Practices Act. Federal, State, and County laws, as well as departmental rules, regulations and policies.

Overall, the section is responsible for the following processes: Legal documents (warrants, subpoenas, summons, and TRO’s), firearms registration and permits, evidence receiving and storage, civil employment fingerprinting services, insurance requests, report duplication,
police and criminal record checks, for criminal conviction and sex offender registry inquiries, expungement orders, National Crime Information Center (NCIC) records management system data entry & maintenance, maintaining individual arrest records and all police reports filed with the department.

Another important responsibility of this section is ensuring evidence items are accounted for from initial receipt to final disposition, including maintaining proper chain of custody procedures when items are sent for testing or used during trial.

Clyde J. Letreta Senior Clerk (AFIS) helps identify suspects from latent fingerprints recovered at crime scenes. First-time and repeat offenders are processed and maintained in a statewide AFIS database. Clyde is also trained to run “Facial recognition Program” to identify suspects through security videos.

POLICE FLEET AND EQUIPMENT MAINTENANCE

Mr. Glenn Ebesu serves as the Police Fleet and Equipment Maintenance Coordinator. Mr. Ebesu is responsible for the Police Fleet Maintenance budget
Mr. Ebesu continues to utilize an in-depth service plan to ensure all police vehicles were running safely and efficiently. He receives work discrepancies of the police fleet and equipment and coordinates the repairs with the County Maintenance Base Yard in Lihue. He also works closely with private auto service outlets on more extensive vehicle and equipment repairs. He was also responsible for generating requisitions for parts, supplies, and all repairs that were needed.

The Fleet Maintenance Coordinator maintains a total of 162 vehicles in his fleet, 100 marked vehicles, 51 unmarked vehicles and 11 trailers. In addition to fleet responsibilities, the Fleet Coordinator maintains other types of department equipment, including the Mobile Incident Command Center vehicle, forklift, emergency generators, light generators, off road emergency vehicles, and various types of trailers to transport, and house emergency equipment including signage road light trailers for the Traffic safety Unit.
Investigative Services Bureau
Assistant Chief Alejandre Quibilan is the Commander of the Investigative Services Bureau and Karen Kapua is the Acting Captain. The bureau is comprised of experienced and seasoned veterans who have received advanced and specialized training in various disciplines. They are tasked to investigate the whole gamut of cases, from a simple misdemeanor case to the most serious and complex felony case, both self-initiated and as follow-up on cases referred by the Patrol Services Bureau. In addition, detectives investigate cases of a non-criminal nature, such as unattended deaths, in order to determine that no foul play was involved. The Bureau conducts outreach training or presentations. This includes, but not limited to, drug and gang awareness resistance education, theft and burglary prevention, and victimization. The bureau is divided into three primary Sections: Crimes Against Persons Section, Special Focus Section, and Vice Section.

**SPECIALIZED UNITS STARTED**

On August 1, 2014 the Kauai Police Department’s Investigative Services Bureau section started/implemented specializing in four major areas of investigation. These areas are The Major Crimes Unit that deals with Homicide and other Part 1 type offenses excluding sexual assault and including Robbery 1st and 2nd Degree cases, the Sexual Assault Unit which investigates all sexual assault cases of both male and female, adult and juvenile, the Property Crimes Unit which deals with all property related crimes which includes but are not limited to burglaries, thefts, car break ins, property damages, and stolen vehicles, and the Financial Crimes and Computer Crimes Unit that deals with all Computer related crimes, International Crimes against Children (ICAC), forgery, fraud use of credit cards, and embezzlement and business fraud type cases. The Primary reason for this change into specialized units is to achieve greater results in solving and closing cases based on the best quality of expertise, knowledge, skills, and training amongst Detectives assigned to the Investigative Services Bureau.

Support personnel include the bureau’s two support Clerks. The Bureau also oversees the Crisis Negotiations Team and the Special Services Team.

**CRIMES AGAINST PERSONS SECTION**

VICE SECTION

This Section is responsible for investigating and enforcing all laws relating to illegal drug activity. The Vice Unit is under the command of Lieutenant Karen Kapua, and is comprised of 13 positions (one Lieutenant, two Sergeants, and ten Officers/Investigators, of which one is a Canine Handler). Crystal meth-amphetamine or “ice” continued as a primary focal point for the unit. Marijuana eradication projects, also known as “Green Harvest” operations, continued to have a strong impact on the illegal cultivation of marijuana. Utilizing helicopters and employing rappelling techniques, officers worked throughout the year with federal and state agencies in a concerted effort to curtail illegal growing efforts on Kaua’i and the other islands.
Narcotics/Vice officers were also assigned to various federal and state task force units, including High Intensity Drug Trafficking Area (HIDTA), Domestic Cannabis Eradication/Suppression Program (DCE/SP), Hawaii Narcotic Task Force (HNTF), State Marijuana Eradication Task Force (SMETF), and the statewide Clandestine Lab Task Force. Medicinal Marijuana patients and caregivers have grown since the inception adding another level of enforcement for LEO’s to ensure that they are compliant with State Law. Marijuana remains a Schedule II substance and illegal under Federal Law.

COMMUNICATIONS/DISPATCH

The Kaua’i Police Department Communications Center has 1 Dispatch Supervisor, 20 Full Time Dispatchers, 17 are County Positions and 3 are State Funded.

The Communications Section of the Kaua’i Police Department is where it all begins. Every call for service whether it be a 911 call or a non-emergency call comes through the Communications Section for service. The Kaua’i Police Department’s Communications Center is responsible for dispatching the entire County of Kaua’i, Police, Fire and Medics as well as other County Agencies after Hours.

Dispatchers go through 5 weeks of Classroom Training which includes 3 days of EMD (Emergency Medical Dispatch Training) upon completion the Dispatcher becomes certified in CPR. They also receive 8 weeks of on-the-job training with a DTO (Dispatch Training Officer).

The Communications Center is responsible for warrants and wanted persons checks via NCIC and is certified every two years.

Dispatchers hold a great deal of responsibility. They are the life link for every agency and person who they dispatch. In addition to all their duties, the dispatchers are also Emergency Medical Dispatch (EMD) certified. That means that they have the ability to give life saving instructions to the callers on the phone. Many lives have been saved because of the skill and abilities of the dispatchers. They are the First Responders. The Communications Center answers all 911 lines in the County of Kaua’i.

They deal with many different types of calls – some serious emergencies, others informational only. There is nothing that will throw a dispatcher into top gear faster than a screaming mom on the other end of the line saying her baby is not breathing, or a distraught wife who has found her husband unconscious. Every call that comes into the center is answered in a professional and skilled manner.

Every April of each year, during National Telecommunications Week, the Dispatchers are recognized for the unending work that they perform on a daily basis for the public.
