Aloha! It is with great pleasure that I recognize the men and woman of the Kaua’i Police Department in their ongoing commitment to making Kaua’i a better, safer place to live and visit.

The people of Kaua’i are fortunate to have a police department that goes beyond law enforcement, and focuses on prevention, community service, educational outreach and charity work, including:

- More than doubling the amount of search warrants initiated from the previous year, leading to the recovery of countless illegal firearms, drugs, drug paraphernalia, stolen money and goods.
- Continuing advanced training opportunities, including hosting the FBI National Academy for a workshop tailored to senior law enforcement.
- Creation of the Fugitive Apprehension Strike Team, with the specific goal of capturing wanted individuals.
- Expanding the courses and opportunities offered to Kaua’i’s youth through the Kaua’i Police Activities League.
- Increasing traffic enforcement efforts, which has led to the most number of traffic citations and fewest traffic fatalities on Kaua’i in recent history.

Our officers are truly public servants and I commend their dedication and commitment to serving our community and bettering the Kaua’i Police Department.

Bernard P. Carvalho, Jr.
Mayor, County of Kaua’i
The Kaua‘i Police Commission consists of seven members, appointed by the mayor, and confirmed by the Kaua‘i County Council. The Commission holds regular public meetings at a designated time and place. The Kaua‘i Police Commission is mandated with these responsibilities:

- Appoints and may remove the Chief of Police.
- Adopt such rules it may consider necessary for the conduct of its business and the regulation of matters relating to the goals and aims of the Kaua‘i Police Department.
- Review the annual budget prepared by the Chief of Police and may make recommendations thereon to the Mayor.
- Receive, consider and investigate charges brought by the public against the conduct of the department or any of its members and submit a written report of its findings to the Chief of Police within 90 days.
- Refer all matters relating to the administration of the department to the Chief of Police.
Aloha,

Calendar 2015 goals were a continuation of several significant projects that impacted the health and welfare of our community. Activities at an international, national, and local level with respect to law enforcement challenges influenced our internal and external priorities.

1. The need to keep our roadways safe is a priority with this administration therefore, to reduce major traffic collisions and fatalities, increased driver education, enforcement citations, and arrests for driving under the influence were increased by 10% over the previous year. On an annual basis over 30,000 deaths occur nationwide on our roads. With increased enforcement efforts, risky behavior will be modified and hopefully, as a result, the number of traffic collisions will drop.

2. The Kauai Police Department continues to focus its resources on recruitment and retention because even at our maximum authorized strength of 161 sworn officers, we are still over 50 sworn officers short from recommended staffing levels based on the United States Department of Justice population to police officer ratios—while taking into consideration other factors such as increases in calls for service, population density growth, geographical separation of communities, and officer safety that relates to an uptick of violent crimes. It should be noted that KPD has not increased sworn positions in over 23 years, while service delivery requests and responses have increased by over 100%.

3. Openness is the hallmark of democracy, therefore to be as transparent as possible 8 community meetings were scheduled throughout the island to answer and address concerns of our community members. These meetings were in addition to other crime prevention, and informational meetings that are conducted throughout the year.

4. Attempts were made to acquire a modular building to accommodate our training programs. At this juncture, the project is on hold pending further developments. As liability becomes issues with regard to training, it is essential that KPD has its own training facility to accommodate the demands and expectations being placed on police officers, and its administration.
5. Over the past 5-10 years, hundreds of innocent men, women, and children were needlessly murdered by individuals who had mental health issues, but were still able to acquire assault weapons and other firearms. While the issue concerning challenges to the 2nd Amendment of our Constitution—the Right to bear arms—must be addressed, there is still a strong and immediate need to keep our community safe. With that in mind, KPD is reaching out to the Department of Education to provide active shooter response training and develop procedures if an incident should occur here on Kauai.

In closing I would like to thank the Kauai Police Commission, Mayor Bernard P. Carvalho Jr., employees of the Kauai Police Department, and finally the community of Kauai, for their continued support in keeping Kauai the safest county in the State of Hawaii.

**CHIEF OF POLICE**

The Chief of Police plans, organizes, staffs, directs and controls the personnel and resources of the department and administers the department in a manner consistent with the Charter of the County of Kaua`i and the laws of the State of Hawaii.

The Chief of Police is responsible for the following:

- Preservation of the public peace
- Protection of rights of persons and property
- Prevention of crime
- Detection and arrest of offenders
- Enforcement of all State laws and County ordinances and all rules and regulations made pursuant thereto; and
- Service of processes and notices in criminal and civil proceedings.

The Chief is also responsible for training, equipping, maintaining, and supervising a force of police officers and necessary staff.

From time to time, the Chief of Police makes reports to the Police Commission as required. In addition, the Chief of Police submits an annual report to the Police Commission of the state of affairs and condition of the department.

**CRIMINAL INTELLIGENCE UNIT**

The Criminal Intelligence Unit of the Kaua`i Police Department works directly under the Office of the Chief of Police.

The primary goal of the unit is to gather raw data related to organized crime activities in the County of Kauai and the State of Hawaii. Such activities involve gambling, prostitution, loan sharking, illegal drug distribution, counterfeiting, extortion, and corruption of law enforcement officers and public officials. The Unit then takes the raw data and creates an actionable intelligence product and disseminates the intelligence product to respected bureaus for further investigation. The unit also provides dignitary protection, monitors domestic and international terrorist activities and serves as a vital support group for other bureaus within the department.

Lieutenant Paul Applegate was responsible for directing, planning, and coordinating overall activities of the unit.

Sergeant Elliot Ke and Officer Alan Santella were tasked with overseeing field operations.

The Criminal Intelligence Unit is part of a statewide network of officers from various police departments and law enforcement agencies. Officers work collectively investigating, collating, and analyzing information regarding organized crime and other criminal elements.
Administrative & Technical Bureau
Assistant Chief Robert Gausepohl was responsible for planning, directing, and coordinating activities within the Administrative and Technical Bureau for 2015.

The primary function of the Administrative & Technical (A&T) Bureau is to provide support services to other police units, by assisting them in meeting their own departmental objectives. Sections within A&T include: Fiscal and Personnel, Records, Training, ID Tech, Research and Development, and Community Relations. Additional services are provided in Telecommunications, Automated Fingerprint Identification System (AFIS), Evidence, Firearms, and Fleet Maintenance.

FISCAL AND PERSONNEL

The fiscal section of the Administrative and Technical Bureau is staffed by Fiscal Officer Daurice Arruda, Personnel Assistant Vivian Akina, and Account Clerks Justin Faford and Brittany Kaui. The basic function of this section is to administer the department’s fiscal program and the department’s personnel matters.

This support section assists Administration in coordinating and developing the department’s annual operational budget and provides technical support for all matters relating to accounting, purchasing, inventory, contracts, payroll and general fiscal management activities of the department. The Personnel Assistant plays a key role in assisting with the hiring process as part of an ongoing effort to fill vacancies.

Total expenditures for the year 2015 were $30,425,718.54 compared to $27,766,353.38 for the previous year. Salaries and salary related expenditures amounted to $25,778,396.94 or 85% of total expenditures for the year.

The following chart depicts the department’s sworn and civilian strength as of December 31, 2015.

In 2015, the Department hired seventeen (17) Police Services Officers, one (1) Police Evidence Custodian, a Secretary, and one (1) Accountant Trainee.

During the year, sixteen (16) employees separated from service: five (5) retirements, four (4) resignations, four (4) appointment terminations, two (2) short term appointment termination, and one (1) interdepartmental movement to the Department of Finance.
RESEARCH AND DEVELOPMENT

The Research and Development Section consists of a Lieutenant and two Sergeants, one of whom is in charge of Community Relations. Lieutenant Roderick Green was in command of the section in 2015.

The section is responsible for procuring uniforms and equipment, assisting with department inventory, initiating and formulating contracts, coordinating physical examinations and urinalysis screening, establishing safety and health programs, obtaining funding through various grants, and participating in various community related service projects. In addition, the section also conducts project research, analyzes crime trends, and coordinates the department’s written directive system.

The most critical role of the section continues to be the recruitment, hiring, and background investigations for both sworn and civilian employees. In 2015, continued efforts were made to streamline and enhance the hiring process.

The Research and Development section continues to explore ways to streamline and enhance the recruitment/hiring process, as we continue our goal of attracting and retaining the most qualified and best-suited applicants for the department.

COMMUNITY RELATIONS

Community Relations Sergeant, Mike Nii assumed his position in June of 2015 before transferring to the Investigative Service Bureau. Lt. Green continued to handle community relations related activities.

Some of these activities included conducting station tours and presentations with various groups throughout the island, covering topics such as drug awareness, personal safety awareness, school safety and shop with a cop. Lt. Green also attended numerous career and recruitment fairs.

The Annual Special Olympics/Troy Barboza Torch Run, Cop on Top, and Kaua‘i United Way drive were just some of the community events the section was involved with in 2015.

CITIZEN’S POLICE ACADEMY

The Citizens Police Academy is an interactive program designed to educate the public about KPD policies and the criminal justice system. The CPA allows the police department and interested citizens of Kauai to share information and ideas in an interactive and positive setting, with the goal of
building relationships, increasing community involvement, and reducing crime on our island.

Classroom and field instruction cover a variety of subjects to give participants a brief overview of what it takes to be a police officer. Topics include: firearms; crime scenes; communications; police vehicles; report writing; domestic violence; and community policing.

Misconceptions, suspicions, and fear of law enforcement arise from a lack of understanding of police responsibilities. We can avoid these issues through education and information sharing, and building a better understanding of the work of police department personnel.

CPA participants meet three to four hours once a week, on a week night or a Saturday, for thirteen weeks. Most sessions are held at Lihue Headquarters. Participants also visit the Kipu Pistol Range and other locations as needed, including a police vehicle ride-along. There is no cost to join the Citizens Police Academy.

POLICE EXPLORERS

As an Explorer, young adults and teenagers have the opportunity to assist the Kaua‘i Police Department by assisting officers with traffic control and security at community events, participating in law enforcement training sessions and community-relations activities. Through these activities, Explorers broaden their understanding and firsthand knowledge of the challenges and job skills that make up their community’s police service. In addition to gaining a working knowledge of police work, the participants have the opportunity to give of themselves to their community.

RECORDS, EVIDENCE, FIREARMS, CIVIL FINGERPRINTING, AFIS SECTION, LEGAL DOCUMENTS, STATISTICS & SEX OFFENDER REGISTRY

Records Supervisor Eunice M. Apeles served as the overall supervisor for the department’s Records Section, which includes Firearms Registration, AFIS, and Evidence. This section was staffed by Joni Y. Arakaki (Police Records Analyst), Allison K. Ageno (Police Report Reviewer), Brent Amoy (Police Evidence Custodian I) Kristal V. Nebre (Evidence Custodian), Mikalynn M. Hiranaka (Police Records Clerk), Clyde J. Letreta (Senior Clerk AFIS), Taytralyn J.N. Nuivo (Police Warrants Clerk), Jeaneth M. Panoy (Weapons Registration Clerk), Nancy A. Zoder , (Police Records Clerk).

One of the primary responsibilities of this section is maintaining records and services consistent with the Uniform Information Reporting Practices Act. Federal, State, and County laws, as well as departmental rules, regulations and policies.
Overall, the section is responsible for the following processes: Legal documents (warrants, subpoenas, summonses, and TRO’s), firearms registration and permits, evidence receiving and storage, civil employment fingerprinting services, insurance requests, report duplication, police and criminal record checks, for criminal conviction and sex offender registry inquiries, expungement orders, National Crime Information Center (NCIC) records management system data entry & maintenance, maintaining individual arrest records and all police reports filed with the department.

Another important responsibility of this section is ensuring evidence items are accounted for from initial receipt to final disposition, including maintaining proper chain of custody procedures when items are sent for testing or used during trial.

Clyde J. Letreta Senior Clerk (AFIS) helps identify suspects from latent fingerprints recovered at crime scenes. First-time and repeat offenders are processed and maintained in a statewide AFIS database. Clyde is also trained to run “Facial recognition Program” to identity suspects through security videos.

**RECORDS MANAGEMENT SYSTEM (RMS)**

The Kauai Police Department began to explore acquiring a new Records Management System.
Acting Assistant Chief Richard W. Rosa is the Commander of the Investigative Services Bureau. The bureau is comprised of experienced and seasoned veterans who have received advanced and specialized training in various disciplines. They are tasked to investigate the whole gamut of cases, from a simple misdemeanor case to the most serious and complex felony case, both self-initiated and as follow-up on cases referred by the Patrol Services Bureau. In addition, detectives investigate cases of a non-criminal nature, such as unattended deaths, in order to determine that no foul play was involved. The Bureau conducts outreach training or presentations. This includes, but not limited to, drug and gang awareness resistance education, theft and burglary prevention, and victimization. The bureau is divided into three primary Sections: Crimes Against Persons Section, Crimes Against Property Section, and Vice / Narcotics Section.

Support personnel include the bureau’s two support Clerks. The Bureau also oversees the Crisis Negotiations Team and the Special Services Team.

CRIMES AGAINST PERSONS SECTION

The Crimes Against Persons Section is under the command of Lieutenant Mark Ozaki. The section currently has an allotment of six detectives, who primarily investigate all crimes against persons which are committed by or against both adults and juveniles.

CRIMES AGAINST PROPERTY SECTION

The Crimes Against Property Section was led by Lieutenant Kenneth Cummings. The section currently has an allotment of six detectives, who primarily investigate all property crimes.

Scott Yamaguchi and Stephanie Regan are currently the two Crime Scene Specialist who are responsible in assisting Detectives in the processing and gathering of evidence at crimes scenes.

The basic function of Crime Scene Specialist is to support the Patrol Services and Investigative Services Bureaus by providing photography, latent fingerprint (dusting, ninhydrin, and superglue), gunshot residue swabbing, alternative light source scanning, DNA, trace particle, and evidence collection services.

Gina Kaulukukui is the Domestic Violence Intervention Coordinator who handles the Domestic Violence Cases.

SCHOOL RESOURCE OFFICERS

The School Resource Officers (SRO), under the supervision of Acting Sergeant
John Mullineaux handles offenses and any incidents within the schools, as well as teaches the DARE Program to 7th graders. The SRO unit also spearheads the department’s Juvenile Alcohol and Tobacco interdiction efforts through the implementation of two grants, and they conduct periodic projects to curb crimes against visitors.

DOMESTIC VIOLENCE INTERVENTION COORDINATOR (DVIC)

Gina Kaulukukui serves as the department’s Domestic Violence Intervention Coordinator (DVIC). Her primary area of responsibility is as a special case manager for all incidents of family, child and elder abuse, as well as protective order and temporary restraining order violations.

Her duties include screening family violence cases and working closely with the victims to initiate and facilitate services and avenues of support. She works closely with community resources to collaborate and strengthen services for the victims.

VICE SECTION

This Section is responsible for investigating and enforcing all laws relating to illegal drug activity. The Vice Section is under the command of Acting Lieutenant Kenneth Carvalho, and is comprised of 13 positions (one Lieutenant, two Sergeants, and ten Officers/Investigators, of which two are Canine Handlers).

Crystal methamphetamine or “ice” continued as a primary focal point for the unit. Marijuana eradication projects, also known as “Green Harvest” operations, continued to have a strong impact on the illegal cultivation of marijuana. Utilizing helicopters and employing rappelling techniques, officers worked throughout the year with federal and state agencies in a concerted effort to curtail illegal growing efforts on Kaua’i and the other islands.

Medicinal Marijuana patients and caregivers have grown since the inception
adding another level of enforcement for LEO’s to ensure that they are compliant with State Law. Marijuana remains a Schedule II substance and illegal under Federal Law.

CRISIS NEGOTIATORS TEAM

The Crisis Negotiators Team (CNT) is comprised of officers from both Patrol Services Bureau and Investigative Services Bureau. The Team’s operational responsibilities fall under the command of the ISB Assistant Chief of Police.

The Team was under the command of Lieutenant Jon Takamura which has a total of 7 members. The members are trained in a peaceful mediation of crisis situations. The team is summoned to all hostage situations, suicide attempts, barricaded subjects, and any other crisis situation which calls for mediation or negotiations.

SPECIAL SERVICES TEAM

The Special Services Team (SST) is comprised of officers from all three bureaus of the department. The Team’s operational responsibilities fall under the command of the ISB Assistant Chief.

The team was under the command of Lt. Todd Tanaka. The Special Services Team, comprised of 15 members, is activated when critical situations arise requiring special police consideration. Cases include hostage and barricaded suspect incidents, area and building sweeps for dangerous perpetrators, and high-risk search warrant entries.

To be a member of the SST, officers must be able to meet and maintain qualification and eligibility standards in areas that include overall physical fitness, firearms and weapons proficiency, and rappelling.

KAU`I POLICE ATHLETIC LEAGUE (K-PAL)

The Kaua’i Police Athletic League (K-PAL) continues to expand its reach to the youngsters ages 4 through 18 throughout the island.

Under the direction of Lieutenant Mark Ozaki, the K-PAL program has maintained strength in its overall number of participants year after year.
The 2015 flag football and cheerleading season again was a major success, with hundreds of youth participating. Teams of players in various age groups were formulated in every major district throughout the island.

The wrestling, boxing and Jiu-Jitsu programs continue to grow while offering competitors an opportunity to test their skills not only on Kaua`i, but statewide and nationally as well.
The Patrol Services Bureau has always been the “backbone” of the Kaua‘i Police Department, and without exception is the most crucial element of the entire organization. In terms of manpower, patrol is the largest of the three bureaus, with nearly two-thirds of the department’s sworn personnel comprising its ranks.

Assistant Chief Roy Asher was in command of the bureau with Acting Captain Scott Brede assisting in an operational capacity. Kennison Nagahisa, was the Patrol Administrative Lieutenant in charge of Communications and the Detention Center/Holding Facility.

Dedicated patrol support staff included Michelle Albarado, Clerk Supervisor; Amy Agcaoili, Police Records Clerk; and three District Senior Clerks.

The Patrol Services Bureau is responsible for the following:

- Preservation of the Public Peace
- Prevention of Crime
- Identification and Apprehension of Offenders
- Enforcement of all State Laws and County Ordinances
- Protection of Rights

The bureau is divided into three main districts, Hanalei, Lihue, and Waimea. A Lieutenant or District Commander is given overall responsibility for each region, and is assisted by three Sergeants. The Sergeants are responsible for the immediate supervision of a squad comprised of up to eight officers. In addition, each district receives assistance from an assigned Senior Clerk.

The Patrol Bureau also has three vital support sections: Traffic Safety Unit (TSU), Emergency Dispatch-Communications, and Detention Center/Holding Facility.

Lieutenant Scott Brede served as the District Commander in Lihue for the year 2015. District Supervisors included Sergeants, Michael Buratti, Brandy Ledesma, and Sergeant Sandy Wakumoto. Senior Clerk Mike Lane provided clerical and administrative support.

The Lihue District is the hub and main business & commercial district on the island. It encompasses the central, heavily populated region of Kaua‘i, extending from Kapaa Town to the “Knudsen Gap” near Koloa. The larger population and higher concentration of businesses, government offices, transportation and special event venues typically equates to a greater caseload for Lihue officers.

The district continues to serve as a training ground for newly graduated recruits, who along with their Field Training Officers will be routinely assigned to the Lihue District sectors for increased case exposure.

Special Projects and Community events for the year included:

- The Annual Kaua‘i Hospice Concert in the Sky
- Visitor Industry Charity Walk, Special Olympics Torch Run, and multiple non-profit fundraisers
- Lights on Rice Parade

The Lihue District handles between 46-50 percent of all calls each month on the island. The Lihue District officers have high caseloads, which demand much of their time on duty with investigations and report writing. They’re also counted on to conduct traffic enforcement, serve legal documents and monitor their areas of assignment.

WAIMEA DISTRICT (South Shore to West Kaua‘i)

The Waimea District begins at the Halfway Bridge located on Kaumualii Highway vicinity of State Mile Marker 5 to the far Westside of the Island (Polihale), to include Kokee State Park and the Island of Ni‘ihau.

Within this area, there are seven (7) schools ranging from elementary, middle, and a high school. The Waimea Sub-Station is located 23 miles west of Līhu‘e and has been shared with the Kaua‘i Fire Department since 1976. There are currently twenty-eight (28) employees assigned to the Waimea District which consisted of a District Commander Lieutenant Trent M.

Officers in the District in an attempt to insure the safety of our roadways issued 4,406 citations and arrested 36 impaired drivers in 2015.

Numerous special operations were conducted in 2015 to address various community concerns and to deter the opportunity to initiate criminal activity.

Hanalei District Officers cover a large area, including parts of the Kawaihau District. District boundaries start at Kapaa town located on the east side of the island, and extend up to Ke’e Beach, which is located on Kaua‘i’s beautiful North shore.

Officers assigned to the Hanalei District respond to all types of calls ranging from minor traffic accidents and disputes to Family Abuse and Homicide cases. In 2015, Hanalei Officers also responded to a lot of calls associated with the growing homeless population on Kaua‘i.

A common occurrence in the Hanalei District is heavy rains and flooding. 2015 was no different, as officers had to close and monitor Hwy 560 in Hanalei on several occasions due to the flooding of the Hanalei River.

In 2015, officers working in the Hanalei District collectively issued 6097 citations and 72 OVUII arrests. They also made a total of 1030 arrests for criminal offenses.

HANALEI DISTRICT (East Kaua‘i to North Shore)

Lieutenant Scott Kau‘i served as the District Commander in Hanalei for the year 2015. District Supervisors included Acting Sergeant Aaron Relacion, Officer In Charge Makana Rivera, Sergeant Chad Cataluna, Officer In charge Rolland B.K. Peahu, Sergeant Ginny Pia and Officer in Charge Lucas Hamberg. Senior Clerk Geary Masada provided clerical and administrative support.
Hanalei District consists of very diverse communities, and has officers that are skilled at dealing with unique challenges that the area provides. Whether it is addressing a road closure due to the Hanalei River flooding, or corralling a few horses and cows that strayed away from their pasture, Hanalei District officers are equipped to handle any situation. Hanalei District boundaries start at Kapaa town located on the east side of the island, and extend up to Kee Beach on Kaua’i’s north shore. Hanalei District officers have frequently received letters of commendation from the community for their outstanding service. These letters have been from citizens expressing appreciation for thorough investigations, addressing community concerns, and holding informative community meetings.

The civilian support staff was comprised of Amy Agcaoili and Michele Albarado. TSU is on-call 24 hours a day, 7 days a week and prepared to respond island wide to any fatal and/or serious injury traffic crash. TSU creates a forensic sketch of crash scenes and conducts in depth and technical investigations of Negligent Homicide or Negligent Injury type cases. In addition, TSU has assisted Detectives with forensic sketches.

A proactive approach to traffic safety remained a high priority, as each officer was also tasked with enforcing traffic laws and ordinances, including speeding, seatbelt, and OVUIII.
TSU was very active in the community as well and lead the way for a successful Click it or Ticket campaign and conducted numerous sobriety check points. TSU conducted several car seat checks throughout the island. TSU assisted in the following community events:

COMMUNICATIONS/DISPATCH

The Kaua`i Police Department Communications Center has 1 Dispatch Supervisor, 20 Full Time Dispatchers, 17 are County Positions and 3 are State Funded.

The Communications Section of the Kaua`i Police Department is where it all begins. Every call for service whether it be a 911 call or a non-emergency call comes through the Communications Section for service. The Kaua`i Police Department’s Communications Center is responsible for dispatching the entire County of Kaua`i, Police, Fire and Medics as well as other County Agencies after Hours.

Dispatchers go through 5 weeks of Classroom Training which includes 3 days of EMD (Emergency Medical Dispatch Training) upon completion the Dispatcher becomes certified in CPR. They also receive 8 weeks of on-the-job training with a DTO (Dispatch Training Officer).

The Communications Center is responsible for warrants and wanted persons checks via NCIC and is certified every two years.

Dispatchers hold a great deal of responsibility. They are the life link for every agency and person who they dispatch. In addition to all their duties, the dispatchers are also Emergency Medical Dispatch (EMD) certified. That means that they have the ability to give life saving instructions to the callers on the phone. Many lives have been saved because of the skill and abilities of the dispatchers. They are the First Responders. The Communications Center answers all 911 lines in the County of Kaua`i.
They deal with many different types of calls – some serious emergencies, others informational only. There is nothing that will throw a dispatcher into top gear faster than a screaming mom on the other end of the line saying her baby is not breathing, or a distraught wife who has found her husband unconscious. Every call that comes into the center is answered in a professional and skilled manner. Every April of each year, during National Telecommunications Week, the Dispatchers are recognized for the unending work that they perform on a daily basis for the public.

FUGITIVE APPREHENSION SUPPRESSION TEAM (FAST) Fugitive Apprehension Strike Team

The members of the Kauai Police Department’s Fugitive Apprehension Strike Team (F.A.S.T) are committed to enhancing the quality of life in our community through the swift apprehension of Kauai’s Most Wanted individuals.

F.A.S.T members strive to locate and arrest those who are wanted so that they may be held accountable for their actions.
