Kupuna hours at DMV announced for month of July

LĪHU'E – Effective Wednesday, July 15, the County of Kaua'i will be offering Kupuna hours at the Department of Motor Vehicles (DMV) in order to better serve residents ages 65 and over seeking both Driver's Licensing and Motor Vehicle services.

Kupuna hours will be from 7 a.m. to 8 a.m., Monday through Thursday, through the month of July as a pilot program. Updates to Kupuna hours will be announced as needed.

During these dedicated hours for Kupuna, no appointments will be needed as customers will be seen on a first-come first-served basis. However, Kupuna are advised to arrive no later than 7:45 a.m. to ensure service. Except road testing, all other DMV services will be offered to Kupuna during these dedicated hours.

All other customers will be seen by appointment only.

As a reminder for the general public, the DMV has recently implemented an online appointment scheduling system. Appointments can be made at <https://kauaidmvppt.cxmflow.com/en/WizardAppt/Units>.
