Hanapēpē Bridge on Hanapēpē Road to close for waterline work starting July 21

HANAPĒPĒ – Hanapēpē Bridge on Hanapēpē Road will be closed for waterline work from Tuesday, July 21, through Friday, Sept. 4, weather permitting.

The bridge will be closed to vehicular traffic during work hours from 7 a.m. to 5 p.m., Monday through Friday, except on state and county holidays. Access will be limited to pedestrians and bicyclists only during work hours.

The closure is to allow Goodfellow Bros., LLC and the Kaua'i Department of Water to install and connect a new 12-inch waterline and service laterals to the DOW's water system.

Motorists are advised to use alternate routes during the bridge closure. A detour route is attached to facilitate vehicular traffic within the area. Vehicles westbound may take routes through Hana Road, while vehicles eastbound may take routes through Pu'olo Road.

Road signs and traffic control will be provided by Goodfellow Bros., LLC.

Waterline installations on Hanapēpē Bridge is anticipated to complete by Sept. 4, weather permitting. Additionally, subsequent intermittent closures of the Hanapēpē Bridge are anticipated to start on Sept. 7 in order to facilitate testing and connection of the newly installed waterline. Updates on these closures will be announced.

Anyone with questions may contact Ryan Mountcastle with Goodfellow Bros., LLC at 658-1151 or ryanm@goodfellowbros.com.

Above: Hanapēpē Bridge on Hanapēpē Road will be closed for waterline work starting Tuesday, July 21, weather permitting. Motorists will be detoured through Hāna Road and Pu'olo Road during the closure.
