Kaua'i police seek public's help with information pertaining to Paul Christie's murder

MOLOA'A – Saturday marks the one-year anniversary of the murder of Paul Christie and the Kaua'i Police Department is asking for the public's help with any information regarding an ongoing investigation.

Police opened an investigation into a second-degree murder that occurred in Moloa'a in 2020 after 57-year-old Christie was found dead along the side of Kūhiō Highway on the morning of February 6.

An autopsy later revealed that Christie died as a result of injuries consistent with a homicide.

Christie was last seen alive on February 4, 2020 at the Princeville Center and was believed to be heading toward Līhu'e. He had no known permanent address but was residing in the Princeville area at the time. He also worked at the Princeville Center, a location that he frequented along with the Princeville Library.

“Again, we want to extend our deepest sympathies to the friends and family of the victim,” said Investigative Services Bureau Assistant Chief Bryson Ponce. “Our detectives have been working diligently to solve this case over the past year. In order to continue our progress, we ask that anyone with information regarding this incident to please come forward so that we can bring justice to the victim and his family.”

Anyone with information is urged to call AC Ponce at 241-1681 or KPD Dispatch at 241-1711. To leave an anonymous tip, call Crime Stoppers Kaua'i at 246-8300 or visit www.cskauai.org.
