KŌLOA – The Department of Public Works and Pacific Concrete Cutting and Coring, Inc., announces that sections of Po'ipū Road will be under short lane closes from March 21 to April 15, on weekdays, from 8 a.m. to 4:30 p.m. In observance of the Prince Kūhiō Day holiday, there will be no work on March 25. No road work will occur during the peak traffic times for school drop-off and pick-up.

The scope of the work includes improvements to pedestrian access to the school, including new sidewalks, crosswalks, and ADA ramps. Safe walking routes for students, parents, and pedestrians will be provided and are shown in the attached figure below

Expect occasional brief delays. As a reminder, the speed limit is 15 mph near Kōloa Elementary school while school is in session.

This project is scheduled to be complete in June 2022. Dates and times are subject to change depending on weather and other factors. If you have any questions or concerns, please contact Keith Suga at 808-645-0822.
