### **Camping permits now open for Lydgate and Salt Pond beach parks**

The Department of Parks and Recreation announces that camping at Lydgate and Salt Pond beach parks are now open for permit reservations.

Permit applications for these beach park locations are available at [www.kauai.gov/parks](http://www.kauai.gov/parks).

The cost for permits at Salt Pond is \$3 per person per night. Hawai'i residents and children under 18 are exempt from camping permit fees.

The cost for permits at Lydgate for Hawai'i residents is \$5 a day for 10 by 10 feet and 20 by 20 feet campsites. The price for permits at Lydgate for non-residents is \$25 a day for 10 by 10 feet and 20 by 20 feet campsites.

As a reminder, system upgrades to the camping permit registration system occurred last week, from May 2 to May 8. Users who had profiles on the online camping permit portal should review their profiles after the system upgrade to ensure their current information is accurate.

In addition, camping at 'Anini and Anahola Beach Parks continues to be available for patrons.
