Solid Waste Division announces temporary closures for maintenance work

LĪHU'E – The County of Kaua'i Solid Waste Division is announcing temporary closures at the Hanalei and Kapa'a refuse transfer stations for scheduled maintenance work.

Closures are as follows:

- On Sept. 2, all services will be closed at the Hanalei refuse transfer station. Repairs are estimated to take four hours. The transfer station will open once repairs are made. During this temporary closure, the public is advised to use the Kapa'a refuse transfer station.
- From Sept. 8 to Sept. 9, the Kapa'a refuse transfer station will only accept bagged trash due to maintenance repairs. During these dates, the public is advised to use the Līhu'e refuse transfer station for bulky item service. All other services, such as green waste, metals, tires, etc., will remain open.

For questions, please contact the Solid Waste Division at 808-241-4841 or email
