## News Release

For Immediate Release: June 26, 2019

### **Water conservation request lifted for Kalāheo customers**

KALĀHEO – The Department of Water has lifted the water conservation request for Kalāheo customers, as of 1:30 p.m., today. Power was restored to the Kalāheo well site and pump station and customers may now resume normal water use.

DOW thanks Kalāheo customers for their conservation efforts and cooperation.
