Kapena Street reopened between Ohiohi Street and Aloalo Place in Līhu'e

LIHU'E – The Department of Water (DOW) announces that work has been completed on Kapena Street, between Ohiohi Street and Aloalo Place and Kapena Street has been reopened as of 1:15 p.m. Normal traffic flow may now resume. DOW crews had closed the road to replace a fire hydrant in the area, which was damaged during an earlier traffic incident. Water service was not affected.

DOW thanks Līhu'e customers for their patience and cooperation during the fire hydrant repairs.
