### **Water service shutdown, road closure scheduled for a portion of Hau'a'ala Road on July 19-21**

KAPA'A – The Department of Water (DOW) announces a water service shutdown and road closure to conduct mainline replacement work on a portion of Hau'a'ala Road; between Moa Road and Kawaihau Road, in Kapa'a from 9 a.m. to 5 p.m. on July 19-21, 2022, weather permitting.

The scheduled water service shutdown will also include portions of Kawaihau Road; from Hau'a'ala Road to Pelehu Road and Pelehu Road; from Kawaihau Road to Nunu Road. DOW will be replacing approximately 200' of water mainline in preparation for new roadways being planned for the area as part of the County of Kaua'i's Kawaihau-Hau'a'ala-Mailihuna Complete Streets Project.

Additionally, intermittent lane closures may also be implemented near the work sites. Motorists are advised to adhere to flagger personnel and to drive with caution when traveling through the area.

Customers located in the affected service area are advised to prepare for service shutdown by taking the following steps:

- Store water to meet your needs until water service can be restored.
- Notify neighbors, family and friends of the scheduled water service shutdown.
- Those with faulty water heaters should ensure that their heater does not empty during the shutdown.
- Monitor water service announcements online at [www.facebook.com/KauaiDOW](https://www.facebook.com/KauaiDOW).

Door to door notices will be delivered this week to customers that will be impacted by the water service shutdown.
