News Release

For Immediate Release: September 13, 2019

Water conservation notice scheduled for Wainiha-Hā'ena customers on Sept. 17 from 10 a.m. to 3 p.m.

WAINIHA – The Department of Water (DOW) has scheduled a water conservation notice for customers located in Wainiha and Hā'ena on Tuesday, September 17, 2019 from 10 a.m. to 3 p.m. in preparation for an electrical power outage scheduled by the Kaua'i Island Utility Cooperative for the same time period. Customers are asked to limit water use to essential uses only; such as drinking, cooking and sanitation purposes during this time, in order to avoid a water service outage.

Water conservation measures include refraining from car washing and turning off appliances or systems that automatically draw water such as ice makers and outdoor irrigation systems.

For more information please call the Department of Water at 245-5461. To monitor water service announcements online, visit www.facebook.com/KauaiDOW.
