## **News Release**

For Immediate Release: October 2, 2019

### **Water service shutdown on Hekili Road and Ohu Road in Kapa'a extended**

7:15P.M. KAPA'A – The Department of Water (DOW) announces that the emergency water service shutdown to customers located on Hekili Road and Ohu Road in Kapa'a has been extended until further notice. DOW crews continue to work on accessing and conducting complex emergency repairs to a damaged 6-inch main line on Hekili Road in Kapa'a.

A hydrant faucet providing access to potable water has been relocated from Hekili Road to Kawaihau Road for safer access to customers who wish to access water. The hydrant faucet is located on Kawaihau Road, nearest to the intersection of Kawaihau Road and Pelehu Road in Kapa'a; at the nearby Kapa'a Elementary School entrance. Customers are advised to bring their own water containers to fill up, if needed.

An update will be provided as soon as new information is received. To monitor updates online, visit [www.facebook.com/KauaiDOW](http://www.facebook.com/KauaiDOW).
