### **Water conservation request issued for Wainiha and Hā'ena customers**

WAINIHA - The Department of Water (DOW) has issued an immediate water conservation request for the Wainiha and Hā'ena customers until further notice due to an electrical power outage at the Wainiha well site. Residents and businesses are asked to limit water use to essential needs only; such as drinking, cooking and sanitation purposes, in order to avoid a full water service outage.

Water conservation measures include refraining from car washing, turning off automatic irrigation systems, ice machines and using water wisely indoors and outdoors.
