Water conservation request lifted for customers in Kīlauea

(KILAUEA) - The Department of Water (DOW) has lifted the water conservation request for customers in Kīlauea as of 7:45 a.m., today. Kaua'i Island Utility Cooperative (KIUC) repaired an electrical problem affecting our Kīlauea pumps and DOW crews were able to restore the pumps operation to normal capacity and customers may now resume normal water use.

The DOW would like to thank customers in Kīlauea for their conservation efforts and patience.
