Firefighters extinguish structure fires in Hanapēpē

Hanapēpē – Firefighters extinguished two structures on fire Wednesday night in Hanapēpē.

No injuries were reported.

At approximately 7:20 p.m., Hanapēpē firefighters were dispatched to a shed on fire on Awawa Road, in Hanapēpē. Once on scene, firefighters found the unoccupied structure fully engulfed in flames, along with a second nearby structure partially on fire.

Firefighters from the Waimea, Kalāheo, and Līhu'e fire stations, along with the on-duty battalion chief, also responded to the scene.

Firefighters contained the fires at approximately 8 p.m., and the burning structures were fully extinguished about 9:45 p.m.

Fire inspectors estimate damages to the structure to be roughly \$50,000.

The cause of the fire remains under investigation.
