### Roadwork for Ulu Ko Subdivision scheduled through Aug. 8

LĪHU'E – The Department of Public Works is announcing that GP Maintenance Solutions will perform roadwork in the Ulu Ko Subdivision in Līhu'e from 7:30 a.m. to 4 p.m. on weekdays, through Aug. 8, weather permitting.

The scope of the work will include asphalt crack sealing of the road.

The following streets will be affected:

- Hunakai Street on July 18;
- Alaekea Street on July 19 and July 22;
- Apapane Street from July 23-29;
- Nokekula Street from July 30-Aug. 1;
- Alala Street on Aug. 2 and Aug. 5; and
- Mapu Street from Aug. 6-8.

The work zones will be coned off to prevent anyone from driving or stepping on wet materials. Please be on the lookout for "No Parking" barricades and signs. This will be an indication that work is in the area.

Please make the appropriate arrangements to accommodate the necessary road closures. Vehicle parking on the streets within the work zones will be not allowed. Any vehicle left on the street within the work zones after 7:30 a.m. will be towed at the owner's expense.

For questions regarding this project, please contact John Kerston of GP Maintenance Solutions at 808-864-0323.
