Striping work at Po'ipū Beach parking lot to take place March 25

The Department of Public Works Division of Solid Waste is announcing that striping work will take place at the Kaua'i Recycles Drop bin area at the Po'ipū Beach parking lot on March 25.

During this time, the recycling bins will be removed and the area blocked off, and bins will be unavailable for use starting from 7 a.m. on March 25 to 7 a.m. on March 26. The striping process should take 24 hours to complete and dry.

Residents are encouraged to hold on to their recyclables until the bins are returned or visit the Kaua'i Recycles drop bins behind the old Kmart building in Līhu'e or near the Lāwa'i post office.

As a reminder, the Kaua'i Recycles Drop bins are for residential use only. Businesses can drop off their recycling free of charge at Garden Isle Disposal, Inc. located at 2666 Niumalu Rd. in Līhu'e Monday through Friday from 8 a.m. to 3:30 p.m., and is closed for lunch from 11 a.m. to noon; and is open on Saturday, from 7 to 11 a.m.
