News Release
For Immediate Release: May 20, 2020

The County of Kaua‘i’s The Kaua‘i Bus will be participating in the nationwide “Sound the Horn” campaign to show support for essential public transportation workers across the United States. This commemorative moment will take place on Thursday, May 21, at 9 a.m., and all Kaua‘i Bus drivers are encouraged to honk their horns with our nation’s transit partners in support and solidarity.

The campaign is organized through the Metropolitan Transportation Authority (MTA) of New York City and the American Public Transportation Association (APTA) to recognize the importance of public transportation during the COVID-19 pandemic.

The Kaua‘i Bus and other national transportation operators will launch a coordinated day of action to simultaneously sound their fleets of bus, train, and boat horns on May 21 to honor heroic transportation workers across the region. As a tribute to #HeroesMovingHeroes on the front lines of this public health crisis, all buses running in service will give two one-second horn blasts in solidarity with partner agencies.

Riders are encouraged to use the #SoundTheHorn and #HeroesMovingHeroes on social media to hashtag the event. Our top-notch front line transit workers truly are heroes moving heroes during this pandemic. Please join Mayor Derek Kawakami and our valued transit employees in this moment as they sound their horns on Kaua‘i to honor transit workers nationwide. We are all in this together.
Even today, our frontline transit workers provide about 700 daily trips so residents can fulfill their essential roles. We salute all of our transit employees and take pride in the job they are doing during this crisis.

Up-to-date bus schedules and additional information can be found online at, the County of Kaua‘i and the Kaua‘i Bus Facebook pages, or at 246-8110.
