### **No CDL and motorcycle road tests from July 8 to Aug. 21**

LĪHU'E – The Department of Finance is announcing that Commercial Driver's License (CDL) and motorcycle road tests will not be administered from July 8 to Aug. 21 at Vidinha Stadium due to the Kaua'i Fire Department's annual driver training of all firefighter personnel and the Kaua'i County Farm Bureau Fair.

"We ask applicants for your patience during these annual activities," said Finance Director Reiko Matsuyama. "However, the Drivers License Division will continue to administer regular vehicle road tests and all other services during this time."
